

Meeting the 8 State Priorities

#5 STUDENT ENGAGEMENT

AVID students have higher high school graduation rates.

AVID students pass CAHSEE at a higher rate than those outside AVID.

Ninth graders who were in AVID are better prepared for college prep than those outside AVID.

#7 COURSE ACCESS

AVID students have higher enrollment percentage in Advanced Placement classes.

AVID Elementary is designed to provide clear, high expectations coupled with organizational skills to promote equality and access for all students.

Elementary Research Base:
Carol Dweck, Ph.D.
Marzano, Gaddy, Dean
Albert Bandura

#6 SCHOOL CLIMATE

AVID school wide culture is a philosophy to progressively shift student and teachers systems of beliefs and behaviors to increase all students meeting college readiness requirements.

AVID Elementary sites incorporate rigorous, relevant differentiated opportunities for all students in an environment that promotes college readiness.

#1 BASIC SERVICES

AVID instructional materials are aligned with the Common Core State Standards.

#3 PARENTAL INVOLVEMENT

AVID provides parent involvement curriculum to school sites.

#8 STUDENT OUTCOMES

More than 75% AVID graduates surveyed are in four-year colleges, three times higher than the state average.

89% of AVID students who started college are still in college two years later.

More than twice the percentage of students with two years of middle school AVID took three or more high school Advanced Placement (AP) classes.

#2 COMMON CORE IMPLEMENTATION

AVID's Mission Statement addresses goals that are well-aligned with Common Core State Standards (CCSS).

AVID provides inquiry strategies and tools for all teachers and students. AVID provides critical reading strategies for instructional text.

Inquiry

- Skilled questioning
- Socratic Seminars
- Quickwrites/discussions
- Critical-thinking activities
- Writing questions
- Open-minded activities

AVID & LCAP

#4 STUDENT ACHIEVEMENT

AVID promotes student academic achievement.

Senior data for high school students in AVID show higher a-g completion, college acceptance, and AP course completion.

Eighth grade students are more likely to choose their college prep course upon entering high school.
