Thank you to the students and families who joined us at Spring Kermes, it was great to see so many families on campus!

-Our students celebrated Earth Day on Friday, April 22nd with earth themed activities, thank you to everyone who joined!

-2nd Annual STEM Expo will be held on May 24th, all STEM students in TK-8th will visit the Expo and participate in hands on Science and Engineering experiments.

We are accepting applications for our Dual Immersion Program. Please visit the front office or Room 201 to pick up an application or to receive additional information.

VAPA Spectacular on May 23rd for grades K-8. Specific times will be sent home this week.

All students in grades 3-8th will be testing in English Language Arts and Math on the Smarter Balanced Assessment Consortium, Grades 3, 6-8th will test from May 8th-12th and Grades 4 and 5 will test from May 15th-19th. Please make sure your student is on time every day and has breakfast every morning.

Character Counts – Quarterly Character Strengths

Grit: means to have perseverance and passion for long-term goals even in the face of failure or discomfort.

Optimism: means to be hopeful and confident about the future or the successful outcome of something.

Feaster's Vision

We
Include Everyone,
Never give up, Have a
Growth Mindset to
Soar off to college

Sports Update

- Congratulations to all the Feaster Lacrosse players who participated in the program this year. Feaster took part in several games against other schools in the district. Lacrosse is growing, as more schools begin to participate. Students interested in trying it out should look for announcements early next school year.
- Remember that the Feaster Running Club is a great way to start your morning. It's open to all students between 7:00am and 7:25am. All you need to do is show up, get a card from the staff member and start running, jogging or even walking.
