

Dear rising 6th – 12th Grade Marauder Parents,

Many thanks to all who could attend the Fall Sports Parent/Coach Meeting recently. It was a great opportunity to meet our coaches and learn about the new programs and systems we will be introducing for the 2025-26 Athletic season.

If you did not make the meeting and your child is interested in playing a fall sport, it's not too late. Below is a link to the important information shared. Please note the following: FHSAA Clearance is required for all student-athletes before practice or try-out. Once you register your interest in a fall sport below, an email will be sent alerting you when the FHSAA portal is open for the fall season. On page three of the PDF, there is a simple QR code that will link you to the login. If you are unfamiliar with the requirements, please visit our information page at www.maclay.org/FHSAA for detailed instructions.

We are excited to roll out a new communication platform for all our team sports in 2025-26. TeamSnap will allow all athletes and families to register their contact information so you can stay up-to-date via email and text during the summer, pre-season, and throughout the season. Please use your phone to scan the QR code for the sport(s) your child or children have an interest in this fall, or click the link below (if you did not complete this in the meeting already).

Finally, we are excited to welcome Nathan Hoffman, our new cross country coach, and Arie Slone, our new football coach, to our staff. We will be announcing our new boys golf coach very soon, who will join our returning head coaches, Pavel Sankovich, swimming; Cindy Stockstill, girls golf; Kelly Hutchinson and McKenley Minacci, cheer; and LaToya Davis, volleyball.

The goal of our entire athletic administration and coaching staff is to provide a meaningful experience for your child in a supportive environment where they can grow and develop as individuals and student-athletes. Wearing a Maclay uniform represents a tradition of success and brings a sense of pride and achievement to each athlete. We value the commitment of our coaches, players, and families to take Maclay Athletics to a new level of excellence and look forward to an exciting fall season.

Go Marauders,

Meredith Locasto
Maclay Athletic Director
