Comprehensive Needs Assessment

Demographics

Demographics Summary

Demographics

Aledo High School (including Daniel Ninth Grade) is the only high school campus in Aledo Independent School District in Aledo, TX. The student population at AHS is 2264. There are 614 ninth-grade students, 616 tenth-grade students, 560 eleventh-grade students, and 474 twelfth-grade students. Additional demographic information is outlined in the chart below. The campus has 225 faculty and staff members to support students and families.

Demographic	Percentage
White	75.23%
Hispanic	16.5%
African American	1.8%
Asian	1.1%
Multi-Racial	4.3%
American Indian	0.2%
Completion Rate - 479 (2023 Grads)	99%
Economically Disadvantaged	12%

The CNA and Campus Plan were developed over a series of workshops with campus administration, the Guiding Coalition, and the Campus Improvement Committee. Data was gathered from the following sources in developing the Comprehensive Needs Assessment: Demographic Information, Accountability Reports and other STAAR Data, Discipline Data, Attendance Reports, AP Planning Reports, PSAT/SAT/ACT Participation Data, CCMR Data, and Instructional Focus Data. The previous year's needs assessment was used as a jumping-off point and all necessary revisions were made by the campus faculty and by the Campus Improvement Committee.

The overall Campus Plan was finalized by the committee on September 21, 2022, and shared with the faculty for review and feedback. The plan will be monitored, reviewed, and revised at Campus Improvement Committee meetings in December, February, April, and June.

Demographics Strengths

Demographics Strengths

- AHS and DNG have come together under one leadership team to provide a cohesive 9-12 instructional program and operational system.
- Additional faculty/staff was added to address the growing student population and instructional needs.
- There is a high level of student involvement in extracurricular activities and support from the community.
- The campus has low student retention and dropout rates.
- A high percentage of students have access to resources and support at home.

Needs

- Parent engagement within the Emergent Bilingual and Economically Disadvantaged populations is lower than that of all students.
- Rapid growth presents challenges with resources, staffing, and creating a culture of connectedness.

Problem Statements Identifying Demographics Needs

Problem Statement 1: The school is experiencing rapid growth that is putting a strain on resources such as classroom space, and staffing.
Root Cause: Excellent school district reputation and residential and commercial growth within the district.

Problem Statement 2: The campus sub-populations consistently score lower on state assessments than all students.
Root Cause: Lack of resources to provide high-quality Tier 2-3 intervention plans with fidelity.

Student Achievement

Student Achievement Summary

At Aledo High School - Daniel Ninth Grade Campus, academic achievement is a high priority for all stakeholders. Faculty, staff, parents, and students value and maintain high standards for achievement. Students are provided tutorials, pull-out remediation, academic seminars, intensive interventions, varied ongoing assessments, and differentiated instruction. Collaborative teams identify struggling students and develop intervention plans for them to address their individual needs. They are developing a sense of collective responsibility through weekly targeted interventions and extensions during Flex. Teachers work to build relationships with their students, so they know their strengths and needs. Additionally, the campus has two intervention specialists who are leading intervention efforts and coordinating daily reading and math intervention opportunities for students. The campus has also hired 4 reading/math tutors to provide further intervention and support for students. STAAR End-of-Course Data is outlined below.

Spring 2023 - Biology				
Total Students	Percent Score	Approaches	Meets	Masters
592	62.89%	97.64%	82.43%	36.32%
Spring 2023 - English 1				
Total Students	Percent Score	Approaches	Meets	Masters
595	73.46%	92.77%	86.05%	31.26%
Spring 2023 - Algebra 1				
Total Students	Percent Score	Approaches	Meets	Masters
373	53.17%	85.25%	52.01%	20.38%
Spring 2023 - English 2				
Total Students	Percent Score	Approaches	Meets	Masters
561	73.39%	94.83%	86.99%	23.17%
Spring 2023 - US History				

Spring 2023 - Biology				
Total Students	Percent Score	Approaches	Meets	Masters
483	64.07%	98.34%	86.54%	55.28%

College Board AP data revealed that over 64% of the students who took an AP exam scored a 3 or higher making them eligible to receive college credit. Additionally, 89% of students enrolled in OnRamps Dual Enrollment courses were eligible to receive college credit. The College, Career, Military Readiness accountability measure is estimated to be at 74% for the graduating class of 2023 and projected to be at 90% in 2024.

AHS had 2 National Merit Finalists, and 16 National Merit Commended Scholars during the 22-23 school year. An additional 72 students were also recognized as College Board National Recognition Program Scholars (African American, Hispanic, Indigenous, and/or Rural and Small Town Scholars).

Data included in identifying needs are state assessment data including student group desegregation, grade reports, teacher input, discipline data, Pre-AP course enrollment data, AP test performance, attendance rates, retention rates, PSAT/SAT participation, and CCMR data.

Student Achievement Strengths

Student Achievement Strengths & Problem Statements
- There was an increase in participation in AP exams and student scores remained steady.
- There was an increase in participation in advanced academic courses including AP, PAP, On-Ramps Dual Enrollment, and Dual Credit.
- There was an increase in the number of nationally recognized students from 2021-2022 to 2022-2023.
- We have a structured time to focus on student intervention and extension.
- All freshmen and sophomores are provided the opportunity to take the PSAT, and all seniors are given the opportunity to take the SAT during the school day.
- Teachers use data to address weaknesses in achievement through collaborative team meetings each week.

Needs

- Title III funding will be utilized as student and staff needs are identified by campus ESL teachers in the following areas: staff development with a focus on serving EL students, supplemental materials, and tutoring for EL students ($20,131).
- Title I funding will be utilized to supplement summer school offerings for EOC and dyslexia students as follows: summer school personnel, summer school transportation, and summer school materials
- Title I funding will be utilized to provide services to students in the following areas: homeless student supplies ($1513)
- Students categorized as Emergent Bilingual (EB), special education, and economically disadvantaged demonstrated lower STAAR performance in English II and US History than all students.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): After an analysis of district and campus data, there is not consistent implementation of instructional design that demonstrates multiple strategies to maximize student engagement and establish relevant learner connections; and students are not consistently demonstrating essential academic and social behaviors in all school-related settings.
Root Cause: Lack of intentional Tier 1 student training regarding academic and social behaviors, and not enough emphasis on intentional lesson design.

Problem Statement 2: Student participation in advanced academics is on the rise but we still have unidentified students who could/should be participating.
Root Cause: Student motivation, engagement, and recruitment efforts.

Problem Statement 3: There is an achievement gap related to our special education students compared to the general population on the state assessments.
Root Cause: Some students served through special education lack the prerequisite skills and require more intensive Tier II and Tier III intervention.

District Culture and Climate

District Culture and Climate Summary

Aledo High School - Daniel Ninth Grade is developing a culture of excellence and connectedness. The climate is one that fosters relationships, relevance, and collaboration. AHS-DNG has a culture of success that must be maintained and built upon each year. We have experienced great success in fine arts, student organizations, academics, and athletics over the years and it is a tradition that each group wants to continue to build upon. In response to student survey data, the faculty and staff are collectively committed to establishing connections and building relationships with students and one another.

AHS-DNG is a Professional Learning Community that is committed to ensuring high levels of learning for all students. The campus is divided into ten departments; each led by a department chair that facilitates monthly meetings and culture-building activities. Additionally, the instructional staff is divided into 37 collaborative teams which meet weekly to engage in the PLC process to ensure a guaranteed, viable curriculum for all students. We have established a system for providing targeted interventions and extensions daily and teachers are working collectively to provide these opportunities to students during a Flex period. The faculty and staff work together to maintain a safe, enjoyable learning environment for students. Team-building exercises were built into teacher in-service to support the development of a high-performing team.

The counseling program provides academic seminars, SOS Signs of Suicide, guidance lessons, small group counseling, and character education. A Student Ambassador Program has been established to provide leadership opportunities and to ensure a smooth transition for our new students. These Ambassadors facilitate our Bearcats are Back Student Orientation, support new students as they transition to AHS-DNG, and facilitate other special projects on campus.

Various student organizations such as the Student Council, National Honor Society, Leading Ladies, etc. also intentionally focus on building a positive culture and climate through events and initiatives. Through the P2 weekly character lessons and various student groups promoting desired character traits through special projects, students have ownership and are empowered to positively influence the AHS-DNG culture and climate.

Administrators also hosted Student Success Seminars within the first 3 weeks of school to establish expectations and a campus climate that is conducive to learning.

The data sources reviewed to identify areas of need include questionnaires/surveys, school walk-through data, focus groups, and meetings.

District Culture and Climate Strengths

Strengths
- AHS has a collaborative culture where 37 teams of teachers work together to ensure high levels of learning for all students.
- The instructional focus has remained the same for many years; resulting in alignment and faculty commitment.

- Most parents view school as a positive, supportive learning community.
- The school has effective safety plans.
- Involvement in campus activities is a huge strength; both in competitiveness and participation.
- Campus administration is making an intentional effort to maintain systems and structures to support the expectation of excellence as the campus grows rapidly.

Needs:

- Title IV funding ($11,492) will be allocated for staff members to engage in professional learning opportunities.

    Note: The dollar amount represents funds shared between all AISD campuses.

Problem Statements Identifying District Culture and Climate Needs

Problem Statement 1: Social and emotional learning opportunities are not always engaging, relevant, and age-appropriate.
Root Cause: Limited SEL curriculum resources.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Aledo High School - Daniel Ninth Grade is comprised of veteran and new staff members who are all committed to student excellence. Teachers new to AHS=DNG participate in a campus New Teacher Induction Program meeting once a month for training, connection, support, and orientation. Teacher mentors are assigned to new staff with less than 3 years of experience to support their transition into the profession and to AHS-DNG. These mentors meet with teachers weekly to provide support, partnership, and guidance. Team-building and culture-builders are scheduled at least monthly and embedded into the culture to create faculty engagement and connection.

AHS-DNG is a learning community made of up 226 faculty and staff members. All teachers are credentialed to teach their assigned courses. Teachers have varying college and graduate degrees and many hold multiple teacher and professional certifications.

Teachers meet to engage in the PLC process during weekly collaborative team meetings. Professional learning is a part of the campus culture and is incorporated regularly. Teacher leaders have the opportunity to provide professional learning for their peers, and Just-in-Time training opportunities are offered throughout the year. Teachers are attending the PLC Institute and AP Summer Institutes on a rotational basis. Opportunities to build relationships are provided through various social gatherings, and team-building activities were built into Teacher In-Service to facilitate the development of a high-performing team.

Teachers are evaluated and supported through the T-TESS appraisal system and develop two professional goals annually. Administrators conduct informal and formal walkthroughs and full observations to evaluate teacher effectiveness and provide coaching as needed. In addition, administrators are conducting Daily Impact Walkthroughs to monitor the implementation of the district instructional priorities.

The following data sources were reviewed to identify needs in the area of staff quality, recruitment, and retention: observation data, collaborative feedback, student achievement data, professional development records and goals, staff retention rate, teacher certification, and qualification data.

Staff Quality, Recruitment, and Retention Strengths

Strengths & Needs

* Each teacher is part of an assigned department for support, connection, collaboration, and team-building.
* New teachers are provided a mentor and are a part of the campus and district New Teacher Induction Programs.
* Professional Learning is a part of our culture; teachers are provided opportunities to grow and improve.
* There is a high level of faculty participation in extensive professional learning opportunities: AP Institutes, AP Grading, OnRamps Institute, and the PLC Institute.

- Salary increases and the district's reputation have a positive impact on the recruiting process.
- Collaborative teaming provides support and professional learning opportunities for new and experienced teachers.

Needs

- Title II funds ($20,381) will be utilized for professional learning opportunities as identified through the evaluation process for individual staff members.
    - *Note: The dollar amount represents funds shared between Aledo High School and Daniel Ninth Grade.*

- Teachers are leaving the profession at a higher rate each year.

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1: The faculty and staff retention rate hasn't returned to the level prior to 2020.
Root Cause: Education challenges, expectations, and workloads have increased resulting in teachers leaving the profession.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

The faculty of Aledo High School - Daniel Ninth Grade is working to support the District Instructional Focus for the 2032-2024 school year. Teachers are implementing the Workshop Model with a focus on rigor and relevance to address the District Problem of Practice. Teachers participate in curriculum writing and curriculum mapping where they identify essential standards, develop common assessments, and backward design.

Teachers are receiving district and campus professional development to provide support as they make instructional adjustments to better align with our instructional focus. Curriculum specialists also facilitate mini-professional development sessions and departmental learning opportunities for teachers in small groups to address instructional practices and continuous improvement. Collaborative teams meet in collaborative teams on a weekly basis to engage in the PLC critical questions.

The school has taken steps to ensure the integration of technology into instruction by including Promethean Boards, teacher iPads, student devices, Eduphoria, Canvas, Pear Deck, and other applications. Teachers have been trained in the Workshop Model, Thinking Maps, Canvas, and other technology integration that they are implementing into instruction. The T-TESS process is utilized to facilitate teacher growth. Additionally, teachers are working together to develop common formative and summative assessments that may be used to guide instruction, intervention, and extension.

Pre-AP and AP teachers have been trained and are utilizing the College Board Pre-AP and AP Classroom resources. The OnRamps teachers participated in a 2-week training course to equip them to facilitate OnRamps dual enrollment courses. AP Classroom and Albert IO are additional instructional resources available to teachers and students.

Data sources reviewed in identifying curriculum and instructional needs include the following: teacher lesson plans, student achievement data, staff input, state standards, research-based curriculum resources, curriculum documents, available technology, observations, collaborative departmental data, and vertical alignment.

Curriculum, Instruction, and Assessment Strengths

Strengths & Needs

- There is a common instructional focus across the district and campus.
- Professional learning opportunities are directly related to the instructional focus.
- Collaborative teams are continuing to align instruction and assessment through the development of essential standards and common assessments.
- Learning walks allow campus-wide data to be collected and shared with the faculty to increase the implementation of the instructional priorities.

- A focus on student-driven learning is increasing student engagement and relevance.
- We have strong CTE programs that provide many opportunities for students to study areas of interest.

Needs:

- Title II funds ($20,381) will be utilized for professional learning opportunities as identified through the evaluation process for individual staff members.

  Note: The dollar amount represents funds shared between Aledo High School, Daniel Ninth Grade Campus, and Aledo Learning Center.
- Teachers are not yet implementing the district instructional focus non-negotiables at the target level.

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1: There is an achievement gap between "all students" and the sub-populations on the state assessments.
Root Cause: Lack of resources necessary to provide sufficientTier II and Tier III interventions.

Problem Statement 2: The AP & OnRamps US History curriculum timelines do not align with that of on-level US history resulting in challenges related to the STAAR End-of-course exam.
Root Cause: College courses do not follow the TEKS curriculum and therefore are not aligned with the STAAR assessment.

Family and Community Engagement

Family and Community Engagement Summary

Aledo High School - Daniel Ninth Grade believes that student success heavily relies on parent and community involvement.   The school encourages participation by providing various opportunities for involvement such as new student orientation, booster clubs, PTO, AdvoCats, Aledo Education Foundation, community partnerships, a parent volunteer program, mentoring, and regular opportunities for two-way communication. The campus website, Parent Link, Remind, Major Clarity, weekly newsletters, and social media are ways the campus is trying to increase communication and transparency. Teachers are also utilizing Canvas and Remind to keep parents informed.

The campus partners with PTO to provide support and resources to students and teachers throughout the school year. Additionally, a parent volunteer program has been developed and there are over 25 parents actively volunteering in the AHS-DNG buildings. Parents attended a campus training and are volunteering in the offices, library, and during special events. Various community partners also provide recognition, incentives, and treats for teachers in support of the work we do.

Additionally, we host several parent events including Curriculum Night, the Info Expo, Just for Juniors, Senior Summit, Free Application for Federal Student Aid (FASFA) Night, Dual Credit Night, AP Registration Summit, and Advanced Academic Night. Weekly parent newsletters provide direct resources for parents to best support their students academically at home.

AdvoCats also continues to support our economically disadvantaged students with their needs during the year.

Family and Community Engagement Strengths

Strengths & Needs

- There is strong communication from the campus to parents on a weekly basis.
- Support from local businesses by providing resources and/or financially supporting the campus.
- Individuals outside of the community believe that we have highly effective schools resulting in rapid growth.
- Excellent parent and community involvement/presence at all student activities and support for student needs.
- Student organizations and extracurricular activities provide many community service opportunities for students.

Needs:

- Parent involvement in academics decreases as students enter and progress through high school.

Problem Statements Identifying Family and Community Engagement Needs

Problem Statement 1: Parent involvement of our economically disadvantaged and emergent bilingual students is lower than that of our overall population.
Root Cause: Families within these sub-populations are not as connected to the school community.

District Organization

District Organization Summary

The leadership structure was reorganized this year to address the incorporation of Daniel Ninth Grade and includes a principal, two associate principals, and four assistant principals. The school utilizes a Campus Improvement Committee made up of the principal, other professional staff, teachers, parents, business representatives, and community members to make organizational decisions. The campus also has a Guiding Coalition comprised of teacher leaders (from both AHS and DNG) and administrators who evaluate effectiveness and facilitate necessary changes for campus improvement. These campus leaders are given a voice as they play a vital role in curriculum writing, and program selection and implementation.

A master schedule has been developed that supports the PLC process. Collaborative teams meet weekly to engage in work surrounding the 4 PLC critical questions to ensure high levels of learning for all students. All teachers have been assigned to a specific department which is led by a Department Chair. Each collaborative team also has a Collaborative Team Leader charged with guiding their individual teams. The campus has increased the number of collaborative teams to 37; eliminating the unnecessary singleton teachers so collaboration and collective responsibility are possible.

Students are offered multiple career pathway options through the five endorsements that are available at AHS-DNG. They have various course options and extracurricular opportunities available to them. The OnRamps dual enrollment program and AP program continue to grow and provide new opportunities for students. Additionally, AHS offers multiple intervention/remediation courses for students with academic gaps including new college readiness classes introduced this school year.

District Organization Strengths

Strengths & Needs

- Increased number of collaborative teams to 37 separate teams; teachers no longer teach in isolation.
- Increased number of AP, OnRamps, and CTE courses being offered to students.
- More opportunities for teacher leadership, such as mentors, department chairs, guiding coalition members, and collaborative team leaders.
- Flex is being utilized to maximize individual instruction, intervention, and extension.
- A change in the off-period policy has positively impacted the campus College, Career, and Military Readiness (CCMR) data.

Needs:

- Streamline CTE course pathways to ensure sustainability.

Problem Statements Identifying District Organization Needs

Problem Statement 1: Teachers are provided limited (once/week) collaborative time during the school day.
Root Cause: The cost of adding a period of collaborative team time each day is prohibitive, and some teachers are part of more than one CT due to their teaching assignments.

Problem Statement 2: Students are eligible to take fewer classes in their junior and senior years; leaving early and devaluing instructional time.
Root Cause: Increasing the number of required courses has staffing implications.

Technology

Technology Summary

Aledo High School - Daniel Ninth Grade is equipped with technology that provides students with enriched learning opportunities. Teachers have immediate access to instructional technology that can be integrated into instruction. Each classroom is outfitted with a Teacher Presentation System including a Promethean Board and Teacher iPad. Students have been issued a district device or may bring their own approved device to school which also allows for increased technology integration. The use of the Canvas LMS system allows teachers to post assignments and instructional resources online for students, and the Go Guardian program allows them to monitor student technology usage on school-issued devices.

Software programs such as Odysseyware, Eduphoria, planbook.com, Web 2.0 tools, and applications, Google Apps for Education, Peardeck, and Canvas are utilized by faculty and students on a regular basis. Teachers have access to Remind and email as a way to communicate regularly with parents.

AHS-DNG has additional technology resources in the science labs, lecture halls, and libraries. In addition to instructional technology, the campus has the technology to ensure student safety. There are access control systems at each entrance and security cameras inside and outside the building. Students are all issued ID Badges which can be used to access the building, make purchases in the campus cafeteria, print, and check out resources in the AHS library.

The data sources reviewed to identify needs in technology were technology hardware and software, technology infrastructure, technology policies and procedures, and professional development needs.

Technology Strengths

Strengths
- The use of the Canvas LMS allows students access to instructional materials and online learning and prepares them for higher education platforms.
- Students all have a technology device that helps faculty maximize technology integration.
- Safety technology is implemented consistently across campus (e.g., ID badge security)
- The use of Canvas and other learning platforms has increased professional learning opportunities and it provides flexibility for teachers to engage in learning.

Needs:

- Students are not required to utilize a school district device which creates monitoring limitations.

Problem Statements Identifying Technology Needs

Problem Statement 1: Technology requests are not met in a timely manner.

Root Cause: Staffing in the technology department doesn't match the level of campus needs.

Problem Statement 2: Not all teachers feel equipped to maximize the use of the LMS and other technology programs available.
Root Cause: Lack of time for intentional, ongoing training.

Priority Problem Statements

Problem Statement 1: After an analysis of district and campus data, there is not consistent implementation of instructional design that demonstrates multiple strategies to maximize student engagement and establish relevant learner connections; and students are not consistently demonstrating essential academic and social behaviors in all school-related settings.

Root Cause 1: Lack of intentional Tier 1 student training regarding academic and social behaviors, and not enough emphasis on intentional lesson design.

Problem Statement 1 Areas: Student Achievement

Goals

Goal 1: How We Teach: Delivery of Instruction

Performance Objective 1: AHS - DNG will implement four identified components of Fundamental 5 with fidelity including Framing the Lesson, Critical Writing, Frequent Small Group Purposeful Talk, and the Power Zone into daily instruction, 100% of the time, by June 2025.

Evaluation Data Sources: Daily Impact Walk Data

Strategy 1 Details	Reviews			
Strategy 1: Campus administrators, coordinators, and specialists will model instructional strategies that are directly aligned with the instructional focus during campus professional learning opportunities throughout the school year.	**Formative**			**Summative**
	Dec	**Feb**	**Apr**	**June**
Strategy's Expected Result/Impact: Teachers will gain strategies and resources that can be taken back to the classroom and utilized within their content areas. **Staff Responsible for Monitoring:** Campus Administrators, Instructional Specialists, Campus Coordinators **Title I:** 2.4, 2.5, 2.6	Considerable	Considerable	Considerable

Goal 2: Professional Learning Community Actions

Performance Objective 1: By June 2025, 90% of the AHS-DNG collaborative teams will rate at the "Developing" level on the Professional Learning Community at Work Continuum: Learning As Our Fundamental Purpose.

Evaluation Data Sources: Professional Learning Community at Work Collaborative Team Ratings

Strategy 1 Details	Reviews			
Strategy 1: Collaborative Team Leader training will be held 5 times throughout the year - prior to the start of the year and quarterly throughout.	**Formative**			**Summative**
	Dec	**Feb**	**Apr**	**June**
Strategy's Expected Result/Impact: Collaborative team leaders will be equipped and empowered to guide their teams. Expectations will be set and systems will be shared across all content areas. **Staff Responsible for Monitoring:** Associate Principal of Teaching & Learning, Instructional Specialists **Title I:** 2.4, 2.5, 2.6	Considerable	Considerable	Considerable	

Strategy 2 Details	Reviews			
Strategy 2: Teachers will ensure active student participation by designing lessons that provide multiple strategies to maximize student engagement and student contribution is monitored to ensure full participation.	**Formative**			**Summative**
	Dec	**Feb**	**Apr**	**June**
Strategy's Expected Result/Impact: Productivity will rise as students become more motivated and focused on their tasks, leading to higher-quality work and more efficient use of class time. Additionally, students will demonstrate an improved ability to apply content knowledge in real-world contexts, showing a greater understanding of material and its relevance beyond the classroom. This holistic growth will contribute to stronger academic performance and the development of critical thinking skills. **Staff Responsible for Monitoring:** Curriculum Coordinators, Associate Principal of Teaching & Learning, CT Leaders **Title I:** 2.4, 2.5, 2.6	Considerable	Considerable	Considerable	

Strategy 3 Details	Reviews			
Strategy 3: Collaborative Teams will identify Essential Learning Standards for each unit of study, clarify criteria for student mastery, and backward design their lessons.	**Formative**			**Summative**
	Dec	**Feb**	**Apr**	**June**
Strategy's Expected Result/Impact: Collaborative Teams will rate at the "Developing" level in indicator #1 by June of 2024. **Staff Responsible for Monitoring:** Campus Administrators, Curriculum Specialists, CT Leaders **Title I:** 2.4, 2.5, 2.6	Considerable	Considerable	Considerable	

Strategy 4 Details	Reviews			
Strategy 4: The master schedule will be built with intention; allowing for collaborative team members to have time built into their schedule for weekly meetings.	**Formative**			**Summative**
	Dec	**Feb**	**Apr**	**June**
Strategy's Expected Result/Impact: Collaborative teams will have common planning time built into their daily schedule. **Staff Responsible for Monitoring:** Campus Administrators **Title I:** 2.4, 2.5, 2.6	Considerable	Considerable	Accomplished	

Strategy 5 Details	Reviews			
Strategy 5: Collaborative Teams will utilize formative and summative data to make instructional decisions and to guide interventions and extensions.	**Formative**			**Summative**
	Dec	**Feb**	**Apr**	**June**
Strategy's Expected Result/Impact: Analyzing common assessment data on a regular basis will allow teachers to adjust whole-class instruction as needed. **Staff Responsible for Monitoring:** Campus Administrators, Curriculum Coordinators, Collaborative Team Leaders **Title I:** 2.4, 2.5, 2.6	Considerable	Considerable	Considerable	

No Progress   Accomplished   → Continue/Modify   ✖ Discontinue

Goal 2: Professional Learning Community Actions

Performance Objective 2: By June 2025, 90% of the AHS-DNG collaborative teams will rate at the "Developing" level on the PLC at Work Continuum: Building a Collaborative Culture through high-performing teams.

Evaluation Data Sources: Professional Learning Community at Work Collaborative Team Ratings

Strategy 1 Details		Reviews			
Strategy 1: Collaborative teams will meet weekly utilizing guidelines, protocols, and processes (four critical questions) to ensure collaborative time is focused on the right work.		**Formative**			**Summative**
Strategy's Expected Result/Impact: Collaborative teams will rate at the "Developing" level on the PLC Continuum by June of 2025. **Staff Responsible for Monitoring:** Campus Administrators, Instructional Specialists, Collaborative Team Leaders **Title I:** 2.4, 2.5, 2.6		**Dec**	**Feb**	**Apr**	**June**
		Considerable	Considerable	Considerable	

Strategy 2 Details		Reviews			
Strategy 2: Collaborative team members will develop expectations, roles, and responsibilities to share the workload.		**Formative**			**Summative**
Strategy's Expected Result/Impact: Collective responsibility and interdependence will be developed within collaborative teams. **Staff Responsible for Monitoring:** Collaborative Team Leaders, Campus Administrators, Instructional Specialists **Title I:** 2.4, 2.5, 2.6		**Dec**	**Feb**	**Apr**	**June**
		Considerable	Considerable	Considerable	

Strategy 3 Details		Reviews			
Strategy 3: Collaborative Team Leaders will generate focused meeting agendas that align their work with the four critical questions.		**Formative**			**Summative**
Strategy's Expected Result/Impact: Team collaboration will focus on students learning. **Staff Responsible for Monitoring:** Collaborative Team Leaders, Campus Administrators, Instructional Specialists **Title I:** 2.4, 2.5, 2.6		**Dec**	**Feb**	**Apr**	**June**
		Considerable	Considerable	Considerable	

Strategy 4 Details	Reviews			
Strategy 4: Collaborative teams will conduct progress checks every nine weeks to determine areas of strength and needed focus related to the PLC Continuum.	**Formative**			**Summative**
Strategy's Expected Result/Impact: Teams will conduct progress monitoring and develop strategies to address areas of needed growth. **Staff Responsible for Monitoring:** Campus Administrators, Instructional Specialists, Collaborative Team Leaders **Title I:** 2.4, 2.5, 2.6	**Dec**	**Feb**	**Apr**	**June**
	Considerable	Considerable	Considerable	

Strategy 5 Details	Reviews			
Strategy 5: Teachers will structure Flex time in a way that provides targeted intervention and extension.	**Formative**			**Summative**
Strategy's Expected Result/Impact: Teachers will team up to divide content and concepts during Flex; building collective responsibility. **Staff Responsible for Monitoring:** Collaborative Team Leaders, Instructional Specialists, Department Chairs, Campus Administrators. **Title I:** 2.4, 2.5, 2.6	**Dec**	**Feb**	**Apr**	**June**
	Considerable	Considerable	Considerable
