WISCONSIN CUCUMBER CRUNCH

Let's celebrate summer by crunching into some delicious, locally-grown, organic cucumbers!

The Wisconsin Cucumber Crunch event was established by the Wisconsin Department of Public Instruction (DPI) to celebrate local foods and promote Farm-to-School programs.

On Friday, July 11, our Summer School sites will be offering fresh cucumbers procured from Cattail Organics, a USDA certified organic family farm in Athens, WI.

Join us in celebrating locally-grown foods by crunching into some cucumbers with your lunch!
