

Eagle News

Anderson Island Elementary

May 22, 2025

Good afternoon Eagle Families,

We've got an exciting week ahead, but first—enjoy the long weekend! There will be no school tomorrow or Monday in observance of Memorial Day, so we hope everyone gets a chance to rest, recharge, and enjoy the sunshine.

Looking ahead to next week, we're thrilled about our Low-Tide Field Trip on Tuesday, May 27! Last year, we were lucky enough to spot a pod of Killer Whales—fingers crossed, we get another magical day on the beach.

A big shoutout to our 3rd-grade students for all their hard work during state testing. They set the bar high and were excellent role models for our younger students—way to go!

We'd also like to extend a warm welcome to Jason and Rose Schwindt, the newest members of our Eagle Convocation (that's what you call a group of eagles)! We're so glad to have you as part of the AIE family.

Have a fantastic weekend, everyone. Get outside, soak up some fresh air, and keep reading—we'll see you all bright and early Tuesday for our Low Tide adventure!

See you Tuesday,
— Mr. Miller

News from the Classroom

It's a short week followed by another short week! This week, we finished the scheduled 3rd-grade SBA testing (we have time aside for make-up testing next Wednesday and Thursday). Thank you to all the excellent 3rd-grade students for doing your best and showing what you know! We also had just enough time to fit in a few fun activities like a practice Fun Run on the trails, decorating rocks, the library, and music. As this year comes to an end, please know that your student has had an outstanding school year, and I could not have asked for a happier group of kids. Thank you for all you do! Enjoy the long weekend and don't forget that we have a field trip on Tuesday to the Riviera Marine to explore the extreme low tide!
