

Phase VI One Cent Sales Tax Program Constituent District 9

Constituent Board Meeting Summary

February 18, 2025

On February 18, 2025, a constituent board meeting was held at St. Johns High School located in Constituent District 9. The purpose of the meeting was to inform the board about the upcoming Phase VI One Cent Sales Tax Program (2029-2034). In addition, to gain board input of the types of school related building improvements they would like to see in their area. There were a total of 10 in attendance and everyone was offered the opportunity to provide comments and feedback. We receive 3 questions and emails as a form of input.

A synopsis of those comments are listed below in this summary related to Capital Programs only.

Summary of Constituent Board Comments

1. If the phase V sales tax program is closed, we have to wait until the phase VI program to add projects?

Response:

The Phase V Sales Tax Program has the ability to add projects under areas such as district wide athletics, paving, and building improvements. However, we are nearly halfway through collecting revenues within the program and the current projects are competing with escalation within the construction market. The ability to add projects to the Phase VI Sales Tax Program allows a level of reassurance that taxpayers dollars and building projects will be fully funded and completed without the risk of stopping construction and running out of funds.

2. What will be the configuration of the buses parked outside of St. Johns HS once River Rd bus project is complete?

Response:

Currently, the buses at the St. Johns HS will remain as currently configured.

3. We want/will need a brand new school for St. Johns HS.

Response:

Thank you for providing feedback. Please ensure you capture this request within the Phase VI One Cent Sales Tax Survey.
