	Lunch	Lunch	Lunch
6	SCIENCE 6	SCIENCE 7	SCIENCE 8
7	SOCIAL STUDIES 6	SOCIAL STUDIES 7	SOCIAL STUDIES 8

HOUSE → system adapted from the Ron Clark Academy that strengthens school culture by building character, relationships, and school spirit.

ART, MUSIC, PHYSICAL EDUCATION, TECH EDUCATION and **LIBRARY** → offered on a 9-week rotation.

Note: Art, Music, Physical Education, and Tech Ed teachers deliver instruction to multiple student cohorts each quarter. While students rotate through these subjects quarterly, the same teacher serves several classes across grade levels during each quarter, not just a single group.

* **MUSIC ELECTIVES** (Band, Chorus, and Orchestra) → offered as an alternative to Period 5 courses.

W.I.N. TIME → once per week during a revised bell schedule. On these days, each of the seven class periods will be reduced by 5-7 minutes to create a dedicated W.I.N. period for all students. System-wide implementation supports differentiated instruction for multilingual learners, students with disabilities, and advanced learners.
