Special Thanks

To the parents, families, friends, teachers, coaches, administrators, counselors, support staff, and members of the community who uplift these students and encourage their love of musicking — thank you. Without you, nights like this wouldn't happen.

Our mission is to foster a joy for learning within every child so that they can use M.U.S.I.C. as a tool for building motivated, understanding, supportive, innovative, and confident citizens.

Our hope is that music will become a lifelong gift and outlet for the students who are involved in the fine arts in the Oxford School District. By providing meaningful and rewarding experiences, students will gain a unique perspective on the world.

Our vision is for all students to have access to high quality music education which provides students unique pathways to positively improve the climate and culture of OIS, OMS, and OHS as well as the Oxford-Lafayette Community.

We are blessed to live in a community that values and supports the arts.

We look forward to seeing you at upcoming events listed on the back of this page throughout the year.

Special Recognition

Congrats to Central Elementary School Music Teacher Marsha Morgan! Three of her students were accepted into the Elementary All-State Honor Choir:
