Our mission is to foster a joy for learning within every child so that they can use M.U.S.I.C. as a tool for building motivated, understanding, supportive, innovative, and confident citizens.

We hope that music will become a lifelong gift and outlet for the students who are involved in the fine arts in the Oxford School District. By providing meaningful and rewarding experiences, students will gain a unique perspective of the world and become agents of change in the community.

Our vision is for all students to have access to high-quality music education which provides students unique pathways to positively improve the climate and culture of OIS, OMS, and OHS as well as the Oxford-Lafayette Community.

We appreciate Chef Brandon Hughes for baking cookies for us to enjoy in the lobby after the concert.
