### **Special Thanks**

To the parents, families, friends, teachers, coaches, administrators, counselors, support staff, and members of the community who uplift these students and encourage their love of musicmaking — thank you. Without you, nights like this wouldn't happen.

Our mission is to foster a joy for learning within every child so that they can use M.U.S.I.C. as a tool for building motivated, understanding, supportive, innovative, and confident citizens.

Our hope is that music will become a lifelong gift and outlet for the students who are involved in the fine arts in the Oxford School District. By providing meaningful and rewarding experiences, students will gain a unique perspective on the world.

Our vision is for all students to have access to high quality music education which provides students unique pathways to positively improve the climate and culture of the Oxford School District as well as the Oxford-Lafayette Community.

We are blessed to live in a community that values and supports the arts.

### **About the Composer**

Elaine Hagenberg's music "soars with eloquence and ingenuity" (ACDA Choral Journal). Her award-winning compositions are performed worldwide and frequently featured at American Choral Directors Association conferences, All-State festivals, Carnegie Hall, and other distinguished international concert halls from Australia to South America and throughout Europe.

In addition to composing full-time, Elaine actively engages in bringing her music to life as the guest artist and featured clinician for professional conferences and festivals both in the U.S. and abroad as a composer, conductor, and accompanist of her work.

With over fifty commissioned works, she has composed new music for the American Choral Directors Association, professional choirs, colleges and universities, community choirs, high schools, and churches. "I Am the Wind" was named the winner of the 2020 ACDA Brock Competition for Professional Composers.

Elaine has music in print with various publishers including Oxford University Press, G. Schirmer, Hinshaw Music, and Beckenhurst Press. Currently, she publishes her concert music independently through Elaine Hagenberg Music which is distributed through GIA.

### **About the Work: *Illuminare***

*Illuminare* is Elaine's first extended work, consisting of five movements for SATB chorus and chamber orchestra. Using lesser-known sacred Latin, Greek, and English texts, the piece takes us through a season of beauty and goodness that has been disrupted by darkness and confusion. But as light gradually returns, hope is restored, illuminating our future and guiding us in peace.

Tonight's performance is unique because it is the first time *Illuminare* has been performed in Mississippi.
