Our mission is to foster a joy for learning within every child so that they can use M.U.S.I.C. as a tool to become motivated, understanding, supportive, innovative, and confident citizens.

We hope that music will become a lifelong gift and outlet for these students. By providing meaningful and rewarding experiences, students will develop unique perspectives of the world, becoming agents for change within our community and beyond.

Our vision is for all students to have access to high-quality music education which provides students unique pathways to positively impact the climate and culture of OIS, OMS, and OHS as well as the Oxford-Lafayette Community.
