Thomas Adams, Principal

tadams@madison-schools.com

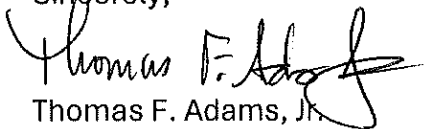

To the Parents/Guardians of our 7th grade scholars:

As we prepare for the upcoming school year, please be advised of an important requirement for all incoming 7th graders: the Tdap immunization requirement for 7th grade entry.

In accordance with Mississippi Department of Health regulations, all students entering 7th grade must present an updated Mississippi Certificate of Immunization Compliance – Form 121 indicating that they have either completed the Tdap vaccination or have received a medical or religious exemption from the Mississippi Department of Health. Students with an exemption must present an updated Certificate of Medical/Religious Exemption – Form 122. Failure to provide the required documentation may result in delays in receiving your child's class schedule.

Thank you for your cooperation and attention to this matter. If you have any questions, please contact me at your convenience.

Sincerely,

Thomas F. Adams, Jr.
Principal
Shirley Simmons Middle School
