Programmatic Goals

- The percentage of school-aged children who live in Saint Paul and attend an SPPS school will increase from 60% in 2024 to 63% by 2029.
- The number of schools fully implementing the Whole School Restorative Practices model will increase from 1 in 2024 to 8 by 2029.

- The percentage of SPPS students who graduate in 4 years will increase from 68% in 2023 to 80% in 2029; returning to pre-pandemic levels for all student groups.

District Relations Goals

- The Board and District leadership will collaborate on a set of shared expectations regarding the manner in which they communicate with one another.
- The Superintendent will provide consistent and regular updates to all board members about the wellbeing of the district and the progress of our shared work.
- Board leadership will determine how best to merge the Board's public relations strategies with the district's public relations strategies.
- The Board and District Administration will hold an annual retreat and work session.

Internal Goals

- The Board will develop and implement clear procedures for committee attendance no later than the 2026 Board Retreat. These procedures will include an expectation that Board Members will activate their alternates in the case of an absence, a process for reporting the activities of the committee back to the full Board, as well as a process for changing the Board Member assigned to a particular committee in the case of repeated absences.
- The Board will develop a strategy around communications and engagement. This strategy should address expectations regarding how we collectively respond to emails from our community as well as how we respond to each other in a way that allows us to operate effectively. As part of this strategy, Board Members will host at least two public town hall/office hours events each year, at least one of which must be a meeting with students, and will visit each school in their focus area at least once per calendar year.
- By their 2026 Board Retreat, the Board will update their onboarding process for new Board Members, which will include technology set-up, scheduling one-on-one meetings with the Board Administrator, Board Chair, and Superintendent, scheduling school visits in designated focus areas, and a training with General Counsel regarding Roberts Rules, Conflicts of Interest, and Open Meeting Laws.
- Every Board Member will engage in some form of professional development each year to improve as a public servant.
- The Board will conduct a self-evaluation, based on these internal goals, at the 2026 board retreat
