WHAT IS PBL?

Proficiency Based Licensure (PBL) is an educator preparation program approved by the Wisconsin Department of Public Instruction for individuals interested in obtaining WI teacher certification.

Candidates work as teachers of record, earning a salary while completing the program.

“The flexibility of the PBL Program was priceless. I am a mom of three, a wife, and I work two jobs. The PBL Program offered flexible schedules, learn as I work opportunity, and feedback as needed.”
