DJDS experience: "My time at DJDS helped shape who I am today spiritually and socially. The Jewish environment gave me a strong sense of identity and community, while also encouraging me to be open to new experiences and perspectives. DJDS has helped me grow my social skills, widen my circle, and feel confident in who I am as a Jew in the outside world."

DJDS experience: "Transferring to DJDS, I was initially nervous about entering an unfamiliar environment, yet the support from my welcoming peers and dedicated teachers quickly made me feel at home. Through opportunities, such as student council, sports, and Color War, DJDS has pushed me to step out of my comfort zone and discover the leader I never knew I could be."

Welcome to our alumni family!

You've gone to extraordinary lengths to give your children the best education possible. You wanted them to be well-educated, to love their school, to have a strong Jewish identity, and to grow up to live a Jewish life. Together, we have raised them well!

Even after your children move on, you (and they) will always have a connection with Denver JDS. As part of our alumni community, we encourage you to stay engaged. For more information on all the opportunities, contact Sam Raizen Walsh, swalsh@denverjds.org, (720) 449-9503, and visit denverjds.org
