4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the upcoming school year.

1. Continue to promote both ASB card availability for all students and promotion of extracurricular opportunities.
2. Student body is also bringing BLUE Friday's back and more intentional school spirit activities back from pre-Covid days to encourage more participation in all activities and athletics. They have raised community support to purchase BLUE school spirit T-shirts for all K-12 students so all can participate each week. Spirit activities will also include both MS and Elementary age students to increase awareness of secondary student opportunities when they become of age.
3. We will also communicate directly with families on the availability of ASB cards for all students and at no cost if they qualify for FR meals.
