

HIGH SCHOOL SUMMER INTERNSHIP PROGRAM | NATIONAL GEOSPATIAL-INTELLIGENCE AGENCY (NGA)

About High School Summer Internship Program

The High School Internship Program is for high school students, age 16 or older, that are looking for real world experience. This internship will offer students the opportunity to gain relevant work experience while contributing to an important and purposeful mission. NGA High School Interns perform a variety of entry-level functions and tasks in support of the organization to which they are assigned. They are given a work project that involves problem identification, analysis, and resolution. Specific duties may include the preparation and presentation of briefings directly related to work assigned.

About the National Geospatial-Intelligence Agency

NGA is a unique combination of intelligence agency and combat support agency. It is the world leader in timely, relevant, accurate and actionable Geospatial Intelligence (GEOINT). NGA enables the U.S. intelligence community and the Department of Defense (DOD) to fulfill the President's national security priorities to protect the nation. NGA also anticipates its partners' future needs and advances the GEOINT discipline to meet them. To learn more about NGA and opportunities, please visit the NGA website.

Candidates under the age of 18 (minors)

NGA partners with ID.me to verify all applicants' identities prior to allowing them access to the application portal. If you are under the age of 18, you will need the assistance of a parent or guardian to complete this step. We highly recommend you do not wait until the final day of the application period as you may need to troubleshoot this process. Please note, NGA has no connection to this process and are unable to assist you with ID.me. Please reach out to the customer service team at ID.me for assistance.

Please review the process for verifying a minor's identity at the website and reach out to ID.me for questions or assistance:

https://help.id.me/hc/en-us/articles/4589202735639-Can-l-help-a-family-member-verify-their-identity-with-ID-me-

Once you are able to verify your identity, please proceed to the application portal and complete the application, including the additional documents.
