Subject: Budget Hearing - Budget 2025-2026

Date: May 14, 2025

The purpose of the Budget Hearing is to present the Budget for 2025-2026 for public input. The Proposed Final Budget was approved on April 21, 2025 at a regular meeting of the Board of Directors. The budget document is available in the Business Office and on the District website. The Final Budget for 2025-2026 is scheduled to be approved at the regular meeting of the Board of Directors on June 2, 2025.

Since being approved on April 21, the proposed final budget has been modified to reflect the increase in the Commonwealth of Pennsylvania's Property Tax Reduction Allocation and its impact in reducing local real estate taxes. That is the only change to the General Fund budget since the May 5, 2025 meeting. Staff will present that information again at the regular board meeting following the Budget Hearing on May 19, 2025.
