

LEARNING CONTINUITY AND ATTENDANCE PLAN

- ▶ Stakeholder Engagement
 - ▶ DAC/DELAC: July 24th, August 7th: Parent Survey ; ILT: May 12th, May 26th, August 26th
 - ▶ Aspects Influenced: PD for Teachers on Microsoft Teams, DL Playbook, Technology accelerators, Technology devices and hotspots distributed to families.
- ▶ Continuity of Learning
 - ▶ In-Person Instructional offerings
 - ▶ Feaster has planned for three possible instructional models for the 2020-2021 school year. These models include: distance learning, hybrid model, and full in-person instruction
 - ▶ Distance Learning Program
 - ▶ All Students will receive a device and hotspot if needed
 - ▶ Pupil Participation and Progress will be monitored and supported through the SST Team, Re-Engagement Team, and Feaster's Counseling Team
 - ▶ Staff will receive continuous professional development throughout the year
 - ▶ Staff Roles & Responsibilities have been reviewed and adjusted to meet the demands of distance learning
 - ▶ Appropriate supports are in place to meet the needs for Pupil with unique needs

LEARNING CONTINUITY AND ATTENDANCE PLAN

- ▶ Pupil Learning Loss
- ▶ Feaster Charter School will be utilizing a variety of high-quality resources and tools to address the learning loss.
- ▶ Prior to COVID-19, 55% of students at Feaster performed at or above grade-level in English Language Arts and 45% of students performed at or above grade-level in mathematics.
- ▶ In the area of English Language Arts, Feaster will be employing the use of several tools to diagnose and assess the current learning status of students.
 - ▶ These tools will include the Achieve 3000 LevelSet (administered three times per year) for students in Grades 2-6, the Smarty Ants foundational literacy initial assessment for students in Grades K-1 & 2 as needed, Reading Foundational Skills Assessment as needed, Benchmark Education Advance/Adelante curriculum assessments, College Board Reading assessments, and reading inventories.
- ▶ In Mathematics, Feaster will use both diagnostic and summative assessments from our Eureka math curriculum.
 - ▶ These tools include Equip, a diagnostic assessment to support remediation as well as Affirm, which includes pre, mid and post assessments for each module.
- ▶ In the area of English Language Development (ELD), teachers provide both integrated and designated ELD lessons to students. ELD is a core component of Benchmark.
 - ▶ Staff will use available ELPAC data to determine instructional needs of each child. Whole group, small group, and one-on-one interaction and instruction with students will be vital in assessing individual student needs.
- ▶ Students will have access to additional targeted small group instruction from classroom instructional assistants and credentialed teachers.
- ▶ Counselors will continue to meet with students in one on one and small groups and will check in regularly with foster & homeless youth.

LEARNING CONTINUITY AND ATTENDANCE PLAN

- ▶ Mental Health & Social & Emotional Well-Being
 - ▶ 7th Year implementing SEL/MTSS/PBIS/RJ
 - ▶ PBIS team, Counseling Department, and Parent Liaison will continue to work with our teachers to address unique needs of our students as result of Covid-19
- ▶ Pupil Engagement & Outreach
 - ▶ Teachers and Tiered Re-Engagement Team that will assist students to reconnect if they are absent for 60% or greater during any given week
 - ▶ Reengagement Team consists of school counselors, behavior specialist, admin, community liaison, attendance clerk)
 - ▶ Cascading messages will go out to the community through school messenger, Peace Jar, Class Dojo, Jupiter Ed, social media, monthly newsletters in both English and Spanish
 - ▶ SART process
- ▶ School Nutrition
 - ▶ Meals given every week following USDA guidelines
 - ▶ Priority to students who qualify for free and reduced lunch
- ▶ Increased or Improved Services for Foster Youth, English Learners, & Low-Income Students
 - ▶ Priority for device distribution and hotspots
 - ▶ Have contacted all of our foster youth and homeless populations and referred to family resource centers
