Proposed Solution for Chula Vista Elementary

The Sharp MX-M7570

Overview

The Sharp MX-M6570 monochrome workgroup document system offers powerful multitasking workflow features and exceptional image quality at speeds up to 65 pages per minute. Designed for large workgroups and departmental environments, this model combines a versatile modular design with tablet-style menu navigation and powerful output capabilities that can help virtually any office accomplish more in less time.

Key Features

- Easy to Operate – Sharp's tablet-style touch-screen display offers a user-friendly graphical interface enabling quick access to features and functions when setting up jobs.
- Advanced Workflow Capabilities – Equipped with the latest version of Sharp OSA® technology and Cloud Portal Office content management for easy integration with network applications and cloud services.
- Standard Wireless Networking – Provides flexible access from mobile devices for scanning and printing directly to the MFP using Sharpdesk® Mobile, a free downloadable app.
