All items are quoted per Bid 1718-010, with the exception of the Apple TV which is under Apple Education Pricing. Prices above reflect the shipped cost.

If you do Not have Apple Devices at your site, you will not need the Apple TV-unless you want to provide it for visitors who may be coming to your site.

*The estimated costs for electrical and cabling, are averages taken from previous projects. Costs may vary depending on the sites needs.

**For sites that are installing new TV "Systems" the work will need to be coordinated with Facilities (for Electrical) and IT (for cabling/mounting).

Please note that due to high demands on Facilities and IT staff, this work may need to be contracted out. Please provide a minimum of 2 months notice, prior to when you would like your project to take place. All projects must be cleared through IT and Facilities. All work that needs to be contracted out, must be performed by Contractors who are registered with the District.
