## Summer FLEX University and District Learning Day Session Catalog Preview

### **CPR/First Aid Certifications**

Join Bartlett's own Karolyn Miller, RN as she delivers a CPR course with basic first aid. This 3-hour long course will teach you how to perform CPR on adults, children, and infants. This comes with a certification.

### **Book Studies**

Led by the BHS Aspiring Leaders Cohort - books include:

1. What Great Teachers Do Differently
2. The Happiness Advantage
3. Dare to Lead
4. Teaching in the Fast Lane
5. Leading with Intention
6. What we know about Grading

### **Apple Specialist**

Dr. Jill Allshouse, Apple Education specialist, will be joining us to discuss:

- 30 time saving tips for teachers.
- 30 tips and tricks for iPad users.
- Utilizing the iPad to increase student engagement.

### **Strategies of Success for All Students**

This session offers practical teaching strategies to help every K-12 student succeed. Learn how to support diverse learners, boost engagement, and create an inclusive classroom environment. You'll walk away with easy-to-apply ideas that can make a big difference in your daily teaching practice.

### **Checks for Understanding: Ways to Increase Student Engagement**

Discover quick and effective ways to check for understanding that keep K-12 students actively involved in learning. This session will share simple strategies to gauge comprehension in real time, encourage participation, and adjust instruction to meet student needs on the spot.

### **Setting a Firm Foundation for a Long Career in Education**

Start strong and stay inspired! This session offers practical tips and mindset strategies for building a lasting, fulfilling career in K-12 education. Learn how to manage challenges, stay connected to your purpose, and grow professionally over time.

### **Bartlett Police Department Hosts - Active Shooter Training**

The Bartlett Police Department will lead a vital Active Shooter Training session for school staff, focused on preparedness, response, and safety protocols. This training provides practical guidance to help staff respond quickly and effectively in emergency situations, ensuring the safety of students and colleagues.

### **Trauma-Informed Best Practices**

Hosted by Lakeside - Learn how to support students impacted by trauma through safe, supportive, and inclusive classroom strategies. This session offers practical tools to build trust, promote resilience, and foster positive learning environments

### **What in the AMO's?**

Explore what AMOs are, how to calculate them, and how to use these goals to better understand and leverage student data. This session will help educators use AMOs to drive instruction, track progress, and support student achievement.
