TEXAN NEWS

Wimberley High School

MESSAGE FROM MR. WILKES

Summer is here, and we have successfully completed another fantastic year at Wimberley High School! We have accomplished so many incredible things, and we are not finished yet. Congratulations to the Texan Tennis team for bringing home Gold, Silver, and Bronze medals last week at the State Tournament. Our UIL Academics and Speech and Debate teams also competed at State earlier this week, where we secured 2nd place overall in Speech and Debate and won a State Championship in Chemistry.

Today, Texan Baseball will play Game 1 for the Regional Championship. Throughout the year, our students have competed and performed at an exceptional level, and it has been an honor to serve as their principal. We are excited to carry this momentum into the 2025-2026 school year, and preparations for another great year have already begun.

I hope you all enjoy quality time with your family and friends this summer. Stay safe, and I look forward to seeing everyone again in the fall!

Have a Great Summer!

Ryan Wilkes
