

Dear Rising Fourth Graders,

During your summer vacation, you will read at least **two** books of your choice, one being a biography, and complete the following assignments. These projects must be submitted/ brought to school on the first day.

1. Collect four “artifacts,” which means things that remind you of the book. For each “artifact,” write a sentence telling why this “artifact” reminds you of the story. If you can’t find something, draw and color a picture and write a sentence telling what the picture has to do with the story.
2. Create a video about the biography you chose to read. Dress up like the person and tell us at least four things you learned about them. Ask your parents to help you add your video to our Google Drive Folder.

 4th Grade Summer Reading Assignment

We are excited to hear about your reading adventures!
Happy Reading,
Your Fourth Grade Teachers
