

Join the Party!

After a summer of reading as many good books as you can, your teachers would like to celebrate with you in September! We are certain that you have read at least **THREE** really good books that you had not read before. When you return to school, we are planning a party . . . all you have to do is bring the **“favors!”**

We would like each student to bring **THREE “favors”** to make our party really special. Students will have the opportunity to share and we will display the “favors” for viewing.
