WHERE TO GO FOR YOUR SENIOR PHOTOS

I grew up here in Colorado and I've been a Denver senior photographer since 2005. In my 20 years of being a photographer, I've discovered quite a few beautiful locations we can use for your senior photoshoot. I am so excited to share my personal favorite locations with you on my website:
www.apriloharephotography.com/best-denver-senior-photo-locations

My two top spots are at Denver Botanic Gardens where I have an annual permit so you can be photographed there for free and a gorgeous mountain meadow in Evergreen if you prefer a place with mountain views. I also live very close to downtown and can design a customized urban session with you.

THE SESSION

We will schedule your photography session for 1.5 to 2 hours before sunset. Later your photos will go into an online gallery where you'll choose which ones you want to buy with the credit that comes with your session fee.

SESSION FEE

Your session fee is based on the location of your senior photos. 50% of the session fee is due when you reserve your date and the remaining 50% is due on the day we meet for your photoshoot. If you visit www.apriloharephotography.com/seniors you'll find the session fees for various locations.

IT'S ALL ABOUT the timing!

TIME OF DAY

Senior sessions are always scheduled at sunset to catch that beautiful golden hour light. If you're lucky you might even get a pretty colorful sunset!

FREQUENTLY Asked Questions

HOW MANY OUTFITS SHOULD I BRING?

One to three outfits is best for most senior sessions. You certainly don't have to do any change of clothing if you don't want to but it's nice to have a couple of different looks. If you bring more than three outfits you will end up spending a lot of your session time changing your clothing instead of using that time for creating awesome pictures so try to limit yourself to three outfits or less. I highly recommend wearing something you feel good in because when you feel good you'll have more confidence and that translates to better photos.

DO YOU RETOUCH MY PHOTOS?

After your session I will pick out a handful of my favorite images to share on the blog as a "sneak peek" or preview. These favorites will be fully retouched. The rest of the images will be lightly retouched as proofs and all will go into an online gallery for you to choose from. Any images that are ordered will be fully retouched just like the favorites from the blog sneak peek.

HOW DO I GET SCHEDULED?

It's painless, I promise! First, get in touch and we'll talk dates and locations and I'll have your parent or guardian sign the contract to reserve your date. 50% of your session fee will be required as a non-refundable retainer to reserve your date with the 2nd half due at the end of your session. I can't wait to talk about your senior photos with you!
