2025 Valedictorian & Salutatorian

Congratulations to Crosby High School's
Valedictorian & Salutatorian
Trinity Cook-Thompson
Meredith Randall
class of
2025

Trinity Cook-Thompson, Class of 2025 Valedictorian

College plans
Trinity will be attending Harvard University this fall to major in biology.

What clubs, organizations, or sports are you part of?
I am a member and hold offices in Choir, LEO Club, Math Honor Society, and National Honor Society.

What activities did you enjoy most during your time at CHS?
While at Crosby High School, I most enjoyed performing in seasonal choir concerts with the Treble Varsity Choir under the director, Ms. Perez. Learning music and competing alongside my peers was rewarding in so many aspects, and allowed me to strengthen my capabilities as a musician. Outside of the arts, volunteering through LEO Club has been an avenue where my friend group and I can be together and make tangible differences at once. Our events were always fun and I've made so many memories!

What were your most significant achievements in high school?
My most significant achievements in high school include earning a spot in the TMEA All-Region Treble Choir, being a member of Congressman Brian Babin's Student Congressional Advisory Council for our district, and earning the Daughters of the American Revolution Good Citizens Award!

Name a special moment in your high school career that meant a lot to you personally.
A moment in high school that was personally meaningful was notifying my teachers of my college acceptances. Seeing their heartfelt reactions and overwhelming support made being their student mean so much more.

Name a teacher or educator who inspired you.
A teacher who inspired me is Ms. Perez, my choir director. She constantly guides me to be not only a better musician, but to be selfless, collaborative, and successful.

Meredith Randall, Class of 2025 Salutatorian

College plans?
Texas State University, majoring in Psychology

What clubs, organizations, or sports are you part of?
I am a part of National Honor Society, Mu Alpha Theta, Science National Honor Society, LEO Club, Mathematics UIL, and Number Sense UIL.

What activities did you enjoy most during your time at CHS?
My favorite activities at CHS were any of the volunteer projects I did, either with the LEO Club, NHS, or Mu Alpha Theta. I enjoyed staying after school to do things like make crafts for a local nursing home, put together care packages for a women's shelter, and even help my peers with math. These activities felt fun to participate in as I got to be around students I didn't necessarily share classes with, and at the end of the day, the thought of doing good for our community always made me smile.

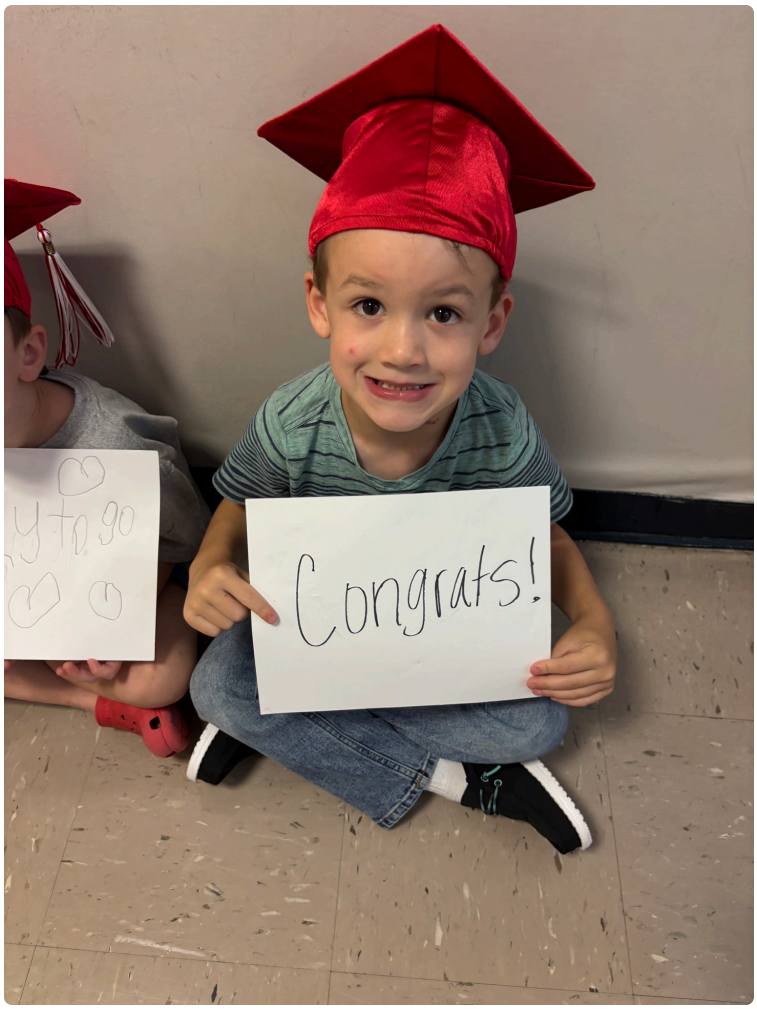

What were your most significant achievements in high school?
Some of my most significant achievements at Crosby High School or during my time in high school include being named as Salutatorian, being the Vice President of LEO Club for three consecutive years, having perfect attendance for my entire high school career so far (aside from school activity absences), earning a place in the National Honor Society, Science National Honor Society, and Mu Alpha Theta, earning my Associate of Arts in Social and Behavioral Science from San Jacinto College through the high school's dual credit program, being a member of the San Jacinto College honors program, and being on the Dean's Honors List for multiple semesters during my time at San Jacinto College.

Name a special moment in your high school career that meant a lot to you personally.
My fondest high school memory has been one that has happened a few times actually. I have memories of sitting in my classes, specifically on a day sometime in May of each school year, looking around at my classmates, my teacher, and the now all too familiar posters hanging on the walls, and thinking, "Wow I remember the very beginning of this. Why did we have to make it to the end so fast?" I'm afraid this is a horribly bittersweet feeling as some of those classes I wish I could have stayed in forever, but this moment of realization inevitably hitting me like this at least once a year makes me really appreciate the time I spent in my classes. Even when it was hard not to just think about when my next homework assignment was due whilst in those classes, I must have enjoyed them if I am able to look back with such nostalgia on all the things myself, my teachers, and my classmates had been through together that year.

Name a teacher or educator who inspired you.

Each of the people who have been a part of my journey throughout my time at CHS have positively affected my life in some way, though one teacher who greatly impacted my personal experience was my 10th grade English teacher Mrs. Porter.

CHS Book Club celebration

MYSTERY

The Crosby High School Book Club and Secondary Librarian, Mrs. Barrientos, hosted an end of year celebration. The event had a great turnout, with students coming together to enjoy pizza, play games, and reflect on the school year and books read this year. One of the highlights was creating a “Chain of Advice” for incoming freshmen; each link filled with helpful tips and encouraging words to welcome the next class of students. It was a joyful way to wrap up the year and celebrate the power of community and reading!

Crosby ISD reserves the right, in its sole discretion, to refuse and/or restrict an individual's access as a Crosby ISD volunteer based on an individual's criminal history, in accordance with applicable law and Crosby ISD policies, specifically **Crosby ISD policy GKG**.

P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP
Send reports over web or internet
You can also download the P3 Campus app for your mobile phone
Apple Store
Google Play

HOW TO SEND A REPORT
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

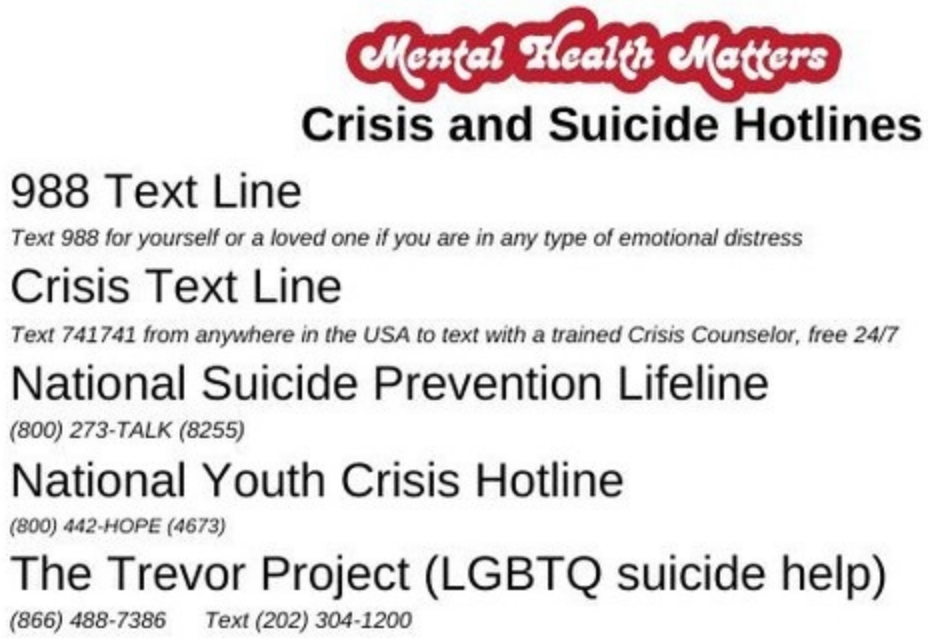

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

HOW ALERTS ARE HANDLED
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r

VERIFICATION 2025-26

As we begin planning for next school year, our school district opened the window for verification on May 1st. Verification is a process we use to know what students will be attending our school next school year. All students need to complete the verification process so that we can build classroom rosters, plan transportation, and plan for staffing for 2025-2026.

Our goal is to verify 100% of our students before the end of the school year, including 5th grade students going to CMS. Therefore, we are asking parents to please complete the verification process and sign this form to notify their child's teacher that it has been completed for their student. **When each student returns their form to their teacher, they will receive 50 Live School points that can be used toward our weekly raffle**. Deadline for points will be Thursday, May 15th.

In order to verify, you will need to upload proof of residency that is current within the last 30 days. Please note that only the following documents will be accepted as proof:

- water bill
- electric bill
- gas bill (no propane)
- cable bill
- lease agreement or deed

Thank you for your support!!

Mrs. Hall
