

Bus Route Assignment

Your bus route assignment is listed in PowerSchool. It is only accessible through PowerSchool when using the website. It is not available on the app. The Bus Pass is the last option at the bottom of the Navigation menu. You must either have a digital pass (photo) or printed copy to show the bus driver. Students may only ride the route as assigned in PowerSchool. Route information is not provided over the phone or via email. Kindly note Eastern refers to the bus route and not an actual number on the bus as it may change during the year for various reasons.
