

What You Need to Know About OMNIASM Tier 1 and Tier 2

Your OMNIA Health Plan covers all medically necessary care and services provided or arranged by doctors and other health care professionals who are in the Horizon Managed Care Network, and all hospitals in the Horizon Hospital Network.

Need to find an in-network doctor, hospital or other health care professional?

Use the *Doctor & Hospital Finder* at HorizonBlue.com/doctorfinder.

To find OMNIA Tier 1-designated doctors:

- Select *Doctors* from the *What are you looking for?* dropdown list and select your OMNIA Health Plan from the *Choose a Plan to Start* dropdown list.

To find OMNIA Tier 1 specialists:

- Select up to five specialties from the *Specialty* dropdown list, or enter a specialty in the *Search* box, and select your OMNIA Health Plan from the *Choose a Plan to Start* dropdown list.

To find OMNIA Tier 1 hospitals:

- Select *Hospitals* from the *What are you looking for?* dropdown list, and select your OMNIA Health Plan from the *Choose a Plan to Start* dropdown list.

You can refine your search by entering a Zip code or other criteria

You'll pay less for your care when you use OMNIA Tier 1 doctors, specialists and hospitals for your care.

You can identify OMNIA Tier 1 doctors and specialists by looking for this icon: **OMNIA TIER 1**

All other doctors will be listed as Tier 2: **TIER 2**

Important reminder

Services provided by doctors, hospitals and other health care professionals who do not participate in the Horizon Managed Care Network or the Horizon Hospital Network are not covered. If you receive care from an out-of-network doctor or facility, you'll be responsible for the total cost of those services (except in the case of an emergency).
