RBBEA Comments
Ms Abel, I love hearing and seeing the passion in the students faces that presented tonight. When seeing this makes what our jobs all about. We are trying to do some changes in the bargaining process. Trying to do a lot more front loading before the end of the school year. Trying to get stronger communication. We hope to get a survey out before the end of the year. We are hoping to get some date before the end of the year. I send my praises out to Vicky Enterkin and Mrs. Whitaker for all their work at RBB and congratulations on their retirement.
