# Mehlville School District FY24 Tax Revenue and Proposed HVAC Replacement Timeline

#### **Local Tax Revenue Increase**

81.6M	FY23 Total Actual
101.1M	FY24 Total Forecast
19.5M	FY24 Total Increase

#### **Local Tax Revenue Increase Components**

Note 1	7.UIVI	Increase due to Assessed Value (AV) increasing 5.0% in calendar year 2023
Note 2	7.2M	Increase due to Prop E 31 cent tax levy increase
Note 3	4.7M	Increase real estate tax due to AV increasing above 5.0% (normally limited by the Hancock Amendment)
Note 4	.6M	Increase personal property tax due to AV increasing above 5.0%
	19.5M	Total FY24 Increase

- Note 1> If Prop E had not passed, AND, if AV had only increased 5.0% for all asset classes, tax revenue would have increased \$7.0M.
- Note 2> Due to Prop E passing a 31 cent tax rate increase, tax revenue increased an additional \$7.2M.
- Note 3> Since Prop E passed, it eliminated the 5.0% AV increase limit. Since residential AV increased 18.2% and commercial AV increased 9.5%, tax revenue increased an additional \$4.7M due to AV increases > 5.0% (equivalent to 18.5 cents tax levy).
- Note 4> Personal property tax is never subject to Hancock 5.0% limitations. Since personal property increased 6.2%. This additional 1.2% AV increase caused tax revenue to increase another \$.6M.

#### **Proposed HVAC Replacement Timeline and Funding**

	Note 1	Note 2	Note 3	
H	HVAC Reserv	⁄e		
	Funding	Summer	Project	
<u>Fiscal Yr</u>	<u>Plan</u>	Replaced	Cost Est.	Locations for HVAC Replacement
	(000's)		(000's)	
FY23	\$ 9,400	(amount is	the actual H	VAC reserve balance at the end of FY23)
FY24	10,000			
FY25	6,000	2024	\$ 8,200	Bernard, OES, Point, Wohlwend, Pool
FY26	6,000	2025	15,700	OHS, OMS, WMS, Blades, Trautwein, Rogers' chillers, John Cary boilers
FY27	1,000	2026	9,200	MHS, Beasley, Bierbaum
		_		_
Total	\$ 32,400		\$ 33,100	
•		_		
	\$ (700)	Estimated	funding sho	rtfall can be funded with regular capital funds or Prop R funds.

- Note 4> \$ 12,100 Estimated interest expense saved by funding HVAC replacement from operating funds instead of a \$24M bonc
- Note 1> Current forecast is to allocate these amounts each year to the HVAC capital reserve if approved by the Board. These are estimates that will change periodically as revenue funding and expense forecasts change, but this is the best estimate for now. These funds would otherwise be either allocated to General Fund operating gains or given back to the community by voluntary tax rate reductions. However, if voluntary tax rate reductions were taken, see Note 4 below.
- Note 2> This represents the summer that HVAC is to be replaced at the indicated locations. Work should be completed before school starts in August each year.
- Note 3> This is the cost estimate for replacing HVAC at the locations listed. Cost estimates can change.
- Note 4> The District saves an estimated \$12.1M interest expense, per L.J. Hart calculations, by funding HVAC replacement from operating funds instead of issuing a \$24M G.O. bond (only \$24M is needed since the District already had \$9.4M cash by the end of FY23).

  The District CFO held discussions with the BOE, Finance Committee, and both outgoing and incoming Superintendents about the existing additional local tax revenue and options to either address critical district financial needs or roll back all or a portion of the tax revenue resulting from AV > 5.0%. These discussions occurred from April 2023 through September 2023. The Finance Committee presented to the BOE in August 2023 that they deemed it most financially prudent to use the additional tax revenue for critical needs. If the BOE follows the plan to use these funds for HVAC, then \$12.1M interest expense may be saved.

# Mehlville School District FY25 Government Funding & Budget Issues

#### 1 Missouri state income tax rate - revenue is reduced due to declining tax rates. The impact is uncertain.

5.30% 2022 tax rate

4.95% 2023 tax rate (6.7% decrease)

4.50% 2024 tax rate (9.1% decrease)

#### 2 SB190 property tax frozen for residents eligible for social security. The impact is uncertain.

St. Louis County has passed SB190. Property tax revenue will be frozen for this segment.

The revenue impact is unclear and cannot be readily quantified, but it will be significant.

This bill applies to residential property, which is about 70% of total District assessed value.

Local tax revenue is about 63% of total District revenue.

#### 3 Basic Formula pre-pandemic WADA is no longer allowed. The impact is uncertain until FY23/FY24 WADA is known.

Normally, formula revenue allows using the largest WADA from the current year, prior year, or 2nd prior year. Since covid, WADA has declined so DESE allows FY24 to use the largest WADA from FY20 - FY24 instead of limiting the calculation to 3 years (FY22, FY23, or FY24).

The table below shows regular term ADA has been declining since FY20 (ADA is a good indicator of WADA variances).

In FY24, using FY20 ADA of 9,005 is still allowed (using the 4th prior year).

Normally, FY24 would use the 2nd prior year of 8,763 (FY22).

FY25 will revert to the normal calculation period (current year, prior year, or 2nd prior year).

FY23 ADA is not yet known. It needs to be 9,005 to match FY20, otherwise revenue declines occur.

FY25 formula revenue equates to about \$7,382 per WADA based on projected SAT and DVM.

Regular Ter	<u>m ADA</u>	
FY18	9,104	
FY19	8,982	
FY20	9,005	used by DESE for FY24 reimbursement
FY21	8,345	
FY22	8,763	
FY23	TBD	options for FY25 DESE reimbursement
FY24	TBD	options for FY25 DESE reimbursement
FY25	Estimate	options for FY25 DESE reimbursement

#### 4 Basic Formula SAT (state adequacy target) and formula funding percentages

The SAT per WADA is increasing for FY25 and FY26 (see below) which will increase revenue if it is fully funded. In FY15, the SAT was only funded by 96.9% instead of 100%. With declining state income taxes, it is possible the SAT may not be funded 100% which then reduces the full amount of SAT increases.

<u>Year</u>		<u>SAT</u>	Funding %	
FY24	\$	6,375	100%	
FY25	\$	6,760	?	(6.0% increase if fully funded)
FY26	Ś	7.145	?	(5.7% increase if fully funded)

#### 5 ESSER funding in FY24 that will cease in FY25

(000's)	Tax Levy	
Budget	Cents	Description
2,836	11.1	34 interventionists
300	1.2	After school instruction and activities
71	0.3	Supplies
51	0.2	Data subs
3.258	12.8	Total ESSER Expenses

Note: Throughout the ESSER funding period, it was discussed that all ESSER funded expenses will cease after FY24 unless there is a tax levy passed to support unfunded expenses. Therefore, FY25 budget will exclude all of these expense items unless otherwise instructed.

#### **BUDGET MESSAGE FY24 - KEY BUDGET COMPONENTS & ASSUMPTIONS**

#### <u>Introduction</u>

The budget message discusses key budget assumptions and estimates, cash flow, operating results, revenues, expenses, and forecast comments. **Key points are highlighted in the executive summary section**.

#### **EXECUTIVE SUMMARY**

- 1. Operating gain is \$.3M in FY24, appearing to decline from \$3.6M in FY23, however this is deceiving. Additional funding to the Capital Fund is \$10.9M more than in FY23 and could have otherwise been allocated to operating funds. So, operating gains in FY24 could have been \$11.2M without this additional capital funding (see cash flow page 1, note 2).
- Cash reserve. Historically, reserves are 23.7% (FY14), 21.3% (FY15), 25.0% (FY16), 26.7% (FY17), 28.8% (FY18), 30.3% (FY19), 36.2% (FY20), 35.9% (FY21), 34.3% (FY22), 34.7% (FY23 forecast), and 31.7% (FY24 budget) (see cash flow page 2).
- 3. **Prop E was passed in April 2023 to increase taxes 31 cents.** 27 cents are allocated to salaries and benefits (\$6.3M) and 4 cents are allocated to building security and mental health counseling (\$.9M) (see expense page 1, footnote 2).
- 4. Local tax revenue increased \$22.2M, or 27.2% from FY23. Without Prop E, tax revenue would have increased only \$4.9M. With Prop E and preliminary 5% AV growth estimates before county data was available, tax revenue would have increased \$12.1M. Of this additional \$7.2M, \$6.3M was committed to spending on existing staff salaries/benefits to make them more competitive since the district ranked 20<sup>th</sup> out of 22 St. Louis County schools in spending per student. However, in late March the county reported preliminary AV growth estimates of 17.8% which increased budgeted tax revenue another \$10.1M for a total increase of \$22.2M. This additional revenue is part of the \$10.9M additional levy to the Capital Fund.
- 5. **Strategic planning for FY25**. **34 interventionists** across 17 schools will cost \$2.8M for salaries and benefits in FY24, and it is funded by ESSER funds. This is currently equivalent to 10.7 cents of tax levy. **After FY24, ESSER funding will cease**. For FY25, the **District must decide** whether to **continue** using the interventionists from operating funds, **eliminate** the positions, or **approve** a tax increase to fund the interventionists.
- 6. **Finance dashboard benchmarking** (see cash flow page 5) is DESE data showing how the district ranks among all 22 St. Louis County school districts for FY22 data in key categories. The District **ranked 22**<sup>nd</sup> (last) in tax rate. With Prop E, if no other district changed, the district will **move up to 20**<sup>th</sup>. Also, the District **ranks 20**<sup>th</sup> in operating expense per student (daily operations), and last in debt per student (capital projects for infrastructure).
- 7. **ESSER funding.** FY24 budget expense for ESSER is \$3.5M for operating funds. FY23 forecast is \$3.2M for operating funds and \$2.0M for capital projects. Expenses are reimbursed so the net budget impact is zero. (see cash flow page 1, note #5)
- 8. **Prop S** bond proceeds of \$37.7M were received FY21. Cost of issuance is \$325K paid in FY21. About **\$15.9M** capital projects expense is budgeted for FY24 and **\$13.4M** is forecast for FY23, but this **may significantly fluctuate** based on project timing. (see capital section, pages 1 & 2)
- **9. Health insurance** increases \$1.3M due to the **22.0**% rate increase January **2023** and a **budgeted increase of 2.0**% for January **2024**. Also, 20 additional staff are budgeted to **fill** open classified positions.

NOTE: Cash balances in operating funds and capital funds that exceed \$5M are invested in bank repurchase agreements.

- (1) Investment amount is money market/term investments (commercial paper/banker acceptances) with MOSIPS, MOCAAT, and Midwest Bank.
- (2) Arbitrage interest is related to disallowed interest from G.O. bond proceeds from Prop S. Interest in excess of 1.22% average yield of outstanding bond proceed balances must be repaid. Therefore, this portion of disallowed interest is recorded as a liability instead of revenue to avoid overstating income.
