Required 3% Balance	\$ 3,951,990
Excess of Min Required Balance	\$ 39,980,310

BUDGET MESSAGE FY24 - KEY BUDGET COMPONENTS & ASSUMPTIONS

Introduction

The budget message discusses key budget assumptions and estimates, cash flow, operating results, revenues, expenses, and forecast comments. **Key points are highlighted in the executive summary section.**

EXECUTIVE SUMMARY

1. **Operating gain** is **\$3M in FY24**, appearing to decline from \$3.6M in FY23, however this is deceiving. **Additional funding to the Capital Fund is \$10.9M more than in FY23** and could have otherwise been allocated to operating funds. So, **operating gains in FY24 could have been \$11.2M** without this additional capital funding (see cash flow page 1, note 2).
2. **Cash reserve.** Historically, reserves are 23.7% (FY14), 21.3% (FY15), 25.0% (FY16), 26.7% (FY17), 28.8% (FY18), 30.3% (FY19), 36.2% (FY20), 35.9% (FY21), 34.3% (FY22), 34.7% (FY23 forecast), and 31.7% (FY24 budget) (see cash flow page 2).
3. **Prop E was passed in April 2023 to increase taxes 31 cents.** 27 cents are allocated to salaries and benefits (\$6.3M) and 4 cents are allocated to building security and mental health counseling (\$.9M) (see expense page 1, footnote 2).
4. **Local tax revenue increased \$22.2M**, or 27.2% from FY23. **Without Prop E**, tax revenue would have increased **only \$4.9M**. With Prop E and **preliminary 5% AV growth estimates** before county data was available, tax revenue would have **increased \$12.1M**. Of this additional **\$7.2M, \$6.3M was committed to spending on existing staff salaries/benefits** to make them more competitive since the district **ranked 20th** out of 22 St. Louis County schools in **spending per student**. However, in late March the county reported preliminary **AV growth estimates of 17.8%** which **increased** budgeted tax revenue another **\$10.1M** for a **total increase of \$22.2M**. This additional revenue is **part of the \$10.9M additional levy to the Capital Fund**.
5. **Strategic planning for FY25.** **34 interventionists** across 17 schools will cost \$2.8M for salaries and benefits in FY24, and it is funded by ESSER funds. This is currently equivalent to 10.7 cents of tax levy. **After FY24, ESSER funding will cease.** For FY25, the **District must decide** whether to **continue** using the interventionists from operating funds, **eliminate** the positions, or **approve** a tax increase to fund the interventionists.
6. **Finance dashboard benchmarking** (see cash flow page 5) is DESE data showing how the district ranks among all 22 St. Louis County school districts for FY22 data in key categories. The District **ranked 22nd (last) in tax rate**. **With Prop E**, if no other district changed, the district will **move up to 20th**. Also, the District **ranks 20th in operating expense per student** (daily operations), and **last in debt per student** (capital projects for infrastructure).
7. **ESSER funding.** FY24 budget expense for ESSER is \$3.5M for operating funds. FY23 forecast is \$3.2M for operating funds and \$2.0M for capital projects. Expenses are reimbursed so the net budget impact is zero. (see cash flow page 1, note #5)
8. **Prop S bond** proceeds of \$37.7M were received FY21. Cost of issuance is \$325K paid in FY21. About **\$15.9M** capital projects expense is budgeted for FY24 and **\$13.4M** is forecast for FY23, but this **may significantly fluctuate** based on project timing. (see capital section, pages 1 & 2)
9. **Health insurance** increases \$1.3M due to the **22.0% rate increase January 2023** and a **budgeted increase of 2.0% for January 2024**. Also, 20 additional staff are budgeted to **fill open classified positions**.

NOTE: Cash balances in operating funds and capital funds that exceed \$5M are invested in bank repurchase agreements.

- (1) Investment amount is money market/term investments (commercial paper/banker acceptances) with MOSIPS, MOCAAT, and Midwest Bank.
- (2) Arbitrage interest is related to disallowed interest from G.O. bond proceeds from Prop S. Interest in excess of 1.22% average yield of outstanding bond proceed balances must be repaid. Therefore, this portion of disallowed interest is recorded as a liability instead of revenue to avoid overstating income.
