

Accessing IXL (from a Non-District Device)

1. Navigate to the CNTS district URL for IXL :

<https://www.ixl.com/signin/coltsneck>

2. Next, click on blue bar with Colts Neck Google Credentials.

A screenshot of the IXL sign-in page. At the top, it says 'Sign in' in blue. Below that is a blue bar with a profile icon, the text 'Sign in as @coltsneckschools.org', and the Google logo. Below the bar is the word 'or'. There are two input fields: 'Username' with a dropdown menu showing '@coltsneck' and a 'Forgot username?' link; and 'Password' with a 'Forgot password?' link. At the bottom left is a 'Remember' checkbox, and at the bottom right is a green 'Sign in' button.

****If the blue bar says “Sign in with Google”, then please follow directions to add the [CNTS Google Account to your device.](#)**
