## **ARTICLE I - RECOGNITION**

### **A. Certification of Unit**

The East Islip Union Free School District ("District"), in order to recognize the East Islip Teachers' Association ("EITA") as the exclusive representative of the Security Guard Unit, has required satisfactory evidence that the EITA in fact represents a majority of such employees. Such evidence is in the form of a statement of certification issued by the Public Employment Relations Board and forwarded to the EITA and the District on or about October 9, 1997.

### **B. Composition of Unit**

The District hereby recognizes the East Islip Teachers' Association as the official negotiating agent for all licensed Security Guards, including Armed Guards and Senior Guards, except for the Security Guard Coordinator.

C. In the event the representation status of the Association is challenged, the District will proceed according to the regulations of the Public Employees Relations Board established under the New York State Public Employees Act.

## **ARTICLE II - PRINCIPLES**

A. Recognition of the Association shall not interfere with or impair the rights of employees under the constitution or laws of the State of New York.

B. In the event that any term or provision of the Agreement is contrary to any provision of appropriate federal, state or local statutes or ordinances, then the provisions of said laws shall prevail in the particular instance. All other provisions of this Agreement shall remain in effect.

C. The Association or the District will not change the conditions set forth in this Agreement in any way, and negotiations will not be reopened during the life of this Agreement, unless mutually agreed. However, representatives of the Association and representatives of the District may hold periodic discussion.

D. Both parties to this Agreement recognize their responsibility to at all times act in good faith in carrying out any and all provisions of the Agreement.

E. The Association recognizes the right of the Board and Administration to direct and control management policies subject to the obligations of the Agreement. The Board and Administration agree that the Association will be consulted prior to the adoption of any policy that directly affects members of the Security Guard Unit. Employees will cooperate with management in conformity with the obligations of this Agreement to facilitate effective operation.

F. The legal rights inherent in the New York State Law are in no way abridged by this Agreement. Individuals may present their views and recommendations to the Board at regularly scheduled meetings of the Board or to the Administration at other times, but they may not negotiate any matters with the District. The Association shall be given the opportunity to present its views on any matters contained in this Agreement at regularly scheduled meetings of the Board of Education.

### **ARTICLE III - PROCEDURES FOR NEGOTIATIONS**

A. No later than February 15<sup>th</sup> preceding June of the final year of this Agreement or any other mutually agreed date, the Association and the District shall enter into negotiations for the following school year or years. The District representatives will continue to meet with the designated representatives of the Association until agreement has been reached on the times listed below:

1. Rights of the Security Guard
2. Rights of the Association
3. Definitions of Security Guard Categories
4. Working Conditions
5. Salary and Fringe Benefits
6. Guard Training
7. Evaluation of Security Guards

B. Both parties agree to adhere to the provisions, procedures, and rules of the Taylor Law during the negotiation process.

C. Negotiations for a new contract may be initiated at the written request of the District or the Association. The request shall specify the matter or matters to be negotiated. The meeting date, time and place shall be mutually agreed upon. At all times the parties to this Agreement shall negotiate in good faith effort to reach accord.

D. Negotiations will continue at least once every two weeks, unless mutually agreed otherwise, from the initial request thereafter until the matter or matters being negotiated have been resolved by agreement, or until impasse is declared.

E. The parties agree that, during the period of negotiations and prior to reaching an agreement to be submitted to the Board and the Association, the proceedings of the negotiations shall remain confidential with the Board, the Association, the negotiators, and their advisors. When an impasse has been declared, according to the provisions of the Public Employment Act, the matter or matters need not remain confidential.

F. All agreements are tentative until final agreement is reached on the entire contract. When tentative agreement is reached covering all the areas being negotiated, the Agreement will be reduced in writing to contract language and submitted to the Association and to the board for approval and/or ratification. Within then (10) calendar days from the date of agreement the negotiators, the Association and the board shall

take ratification and or approval action on the agreement and the parties shall notify each other in writing as to rejection or ratification of the agreement. Following ratification by the Association and by the Board, the Contract Agreement shall become part of the official minutes of the Board of Education.

G. If an impasse is declared in contract negotiations, the impasse shall be resolved by following the machinery as provided in the Public Employees' Fair Employment Act.

4. Failure to adhere to the limits as hereinafter provided by the Board of Education, its Chief Executive Officer or his/her designee, or its supervisory employees, unless mutually agreed otherwise shall permit the aggrieved party and/or his/her representative to proceed to the next step of the grievance procedure.

In the event the arbitrator is asked to make a determination on more than one issue, the costs will be allocated on a pro rata basis determined by who was declared in error by the arbitrator in each issue. The argument or arguments advanced by either party in support or opposition to an issue or issues will not be used as a basis for any pro rata allocation of expense.
