Photos of the Week

At Monday night's board meeting, we had two special presentations!

First, we recognized this year's four retirees: Molly Blevins (middle school, learning support), Lori Ditzler (Brownstown & District Office, teacher & early childhood specialist), Dean Kunkle (high school, language department), and Judy Lefever (high school, science department), who represent a combined 74 years of service to CVSD!

Then Dr. Hartman recognized the recipient of the spring Educator Award of Excellence to Dr. Fecera, CV's CVVA

supervisor at the high school and go-to on all things CVVA related.

CV Summer Library

The Basics of CVSD, in partnership with **Conestoga Valley SEEDS**, is offering a CV Summer Library in June and July!

This fun opportunity will run out of Brownstown Elementary each Wednesday and is limited to 40 children per week. Parents - this is a great opportunity for you and your children to be together, check out books, enjoy different stations (all connected to the tools and resources of The Basics) and have a great time in community! Below is the registration link, where you can let us know which weeks you plan to attend!

Don't Miss Out!

CV is still accepting applications for its **FREE** Pre-K Counts classrooms for the 2025-26 school year, but spots are limited! (*please note: a submitted application does not guarantee enrollment in the Pre-K Counts program*).

The Pennsylvania Pre-K Counts program provides free pre-kindergarten services to at-risk three- and four-year-olds and offers full day services in CVSD. This program is held in all four of CV's elementary schools.

CV Cares

[CV Cares](#) is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a

single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the [online form](#) to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
