Dear Community Business Partner:

The Red Oak Independent School District is partnering with area businesses to foster positive relationships with our employees that will be mutually beneficial and enjoyable for all.

The district has a Red Oak ISD Perks Program with community businesses. We hope to establish another way for businesses to recognize school district employees for their service to the children of Red Oak and provide businesses an avenue to reach all 950 employees. As businesses support our employees with offers of discounts for services or goods, we will list those businesses and offers to our staff through our employee newsletter and intranet communications. Employees will feel appreciated by the community, and businesses will benefit through additional exposure to our 950 dedicated employees.

Becoming a partner is free and easy. Businesses wanting to offer discounted services or goods to Red Oak ISD employees should do the following:
- Offer an appreciable discount (recommend no less than 10% of total purchase).
- Fax, mail or e-mail the Red Oak ISD Perks Registration Form
- Remember offer/discount applies to ALL Red Oak ISD employees.

We ask that you join in this effort to build a stronger relationship between the Red Oak business community and the Red Oak ISD. Your generosity is one more way of showing support for our public schools and the individuals who commit themselves to children across the city. We will mail you a decal for your business window so employees will know to ask about the discount.

All interested businesses are asked to complete the attached registration form today.
If you have any questions or comments, please call me at 972-274-8212 ext. 205.
We look forward to hearing from you.

Sincerely,

Beth Trimble
