May 16, 2025

Dear Parents and Guardians,

As we approach the end of the 2024-2025 school year, all learners will be completing Final Exams, and some will be taking a NYS Regents Exam.

**Please remember, all Final Exams and NYS Regents Exams are worth 12% of your child's Final Average for the class.** Algebra I and Earth Science courses are High School courses that culminate in a NYS Regents Exam required for graduation.

Please review the attached *June 2025 Schedule* that outlines the assessments that will take place each day. The calendar has been created to ensure learners are not taking more than two assessments on the same day.

All Final Exams scheduled between June 12 and June 17 will take place in your child's respective class. **June 12 through June 17 are regular school days.** Learners will be following their regular bus and academic schedules.

**June 18 through June 25 are testing days, learners will be following a different schedule.** Please review the calendar to see when your child(ren) is reporting to the building for their Final Exam and/or Regents Exam.

Please review the attached *Adjusted Transportation Schedule* for June 18, June 20, June 23, June 24, and June 25. Again, please review the attached calendar to see when your child(ren) is reporting to the building on June 18, June 20, June 23, June 24, or June 25 to take an End-of-Year Assessment/Regents.

If you have any questions, please contact the Baldwin Middle School main office, 516-434-6201.

Sincerely,

*Dr. Erica D. Taylor*
