Dear Parents and Guardians,

The Salinas Union High School District is excited to announce for the 2024-2025 school year the district is participating in the Community Eligibility Provision (CEP) meaning all students may eat breakfast and lunch at no cost. In addition we offer the After School Snack Program at all Middle and High schools. Please discuss and encourage your child to participate in these programs. We believe when students are not hungry they learn best.

COMMUNITY ELIGIBILITY PROVISION (CEP)

All students may receive one nutritional breakfast and lunch at no charge. Meals are prepared under the nutritional guidelines of the National School Breakfast and Lunch program.

AFTER SCHOOL SNACK PROGRAM

All students participating in after school programs may stop by the cafeteria before their classes to get a snack and milk or Juice.

STUDENT IDENTIFICATION NUMBERS, QR AND BARCODES

All students will receive a student ID number that will not change from middle school to high school. This number should be memorized. Students are encouraged to use their physical ID cards with the bar code in the meal lines. If a student happens to misplace their physical ID card, they can also easily access their barcode through the StudentVUE app on their smart devices. The bar codes are the fastest and most convenient way to get through the line.
