## R2200 CURRICULUM CONTENT

Courses of study and instructional materials and programs shall be designed to eliminate discrimination on the basis of any of the protected categories listed at N.J.A.C. 6A:7-1.1(a) and promote understanding and mutual respect between children.

In order to eliminate possible bias in the curriculum, staff shall use the following criteria:

- A. When instructional material contains stereotypes or discriminatory statements, staff should help students identify the stereotypes or discriminatory statement(s) and discuss with students the consequences of repeated stereotyping and discriminatory statements.
- B. If a particular instructional material is highly objectionable, staff should not use it, such material should be brought to the attention of the Building Principal so that the Affirmative Action Officer can evaluate the objectionable material. Alternatively, the teacher might discuss the questionable material instead of eliminating it, depending on the makeup and maturity of the class and the purposes of the instruction.
- C. Another recommended technique for handling materials that contain biases or stereotypes is to offset it by using unbiased supplementary materials.
- D. Community involvement when developing instructional programs and attendant materials shall be encouraged.

Religion in the Schools

### 2270 RELIGION IN THE SCHOOLS

The Board of Education recognizes that religious belief and disbelief are matters of personal conviction rather than governmental authority and the students of this district are protected by the First Amendment of the United States Constitution and by Article I, Paragraph 4 of the New Jersey State Constitution from the establishment of religion in the schools. The First Amendment requires public school officials to show neither favoritism toward nor hostility against religious expression such as prayer.

As a condition of receiving Elementary and Secondary Education Act of 1965 (ESEA) funds, the Board of Education must annually certify in writing to the New Jersey Department of Education that no Board policy prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary and secondary schools, as detailed in the United States Department of Education's Guidance on Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools (USDOE Guidance). The Board must provide this certification to the New Jersey Department of Education by October 1 of each year during which the Board participates in an ESEA program. The USDOE Guidance provides information on the current state of the law concerning constitutionally protected prayer and religious expression in public elementary and secondary schools.

The following activities as outlined in the USDOE Guidance will be permitted upon applying the governing constitutional principles in particular public school contexts related to prayer: prayer and religious exercise during non-instructional time; organized prayer groups and activities; teachers, administrators, and other school employees; moments of silence; accommodation of prayer and religious exercise during instructional time; student assemblies and noncurricular events; prayer at graduation; and/or baccalaureate ceremonies.

The following activities as outlined in the USDOE Guidance will be permitted upon applying constitutional principles regarding religious expression other than prayer in particular public school contexts: religious literature; teaching about religion; student dress codes and policies; religious expression in class assignments and homework; and/or excusals for religious activities.

In addition to the constitutional principles outlined in this Policy and the USDOE Guidance, public schools may also be subject to requirements under Federal and State laws relevant to prayer and religious expression. Such Federal and State laws may not; however, obviate or conflict with a public school's Federal constitutional obligations described in the USDOE Guidance. The Equal Access Act, 20 U.S.C. Section 4071, is designed to ensure that student religious activities are accorded the same access to Federally funded public secondary school facilities as are student secular activities.

The United States Department of Justice has developed guidance for interpreting the Equal Access Act's requirements outlined in the USDOE Guidance in the area of general provisions, prayer service and worship exercises, means of publicized meetings, lunchtime and recess, and leadership of religious student groups.

### 2423 BILINGUAL EDUCATION

The Board of Education will provide programs of bilingual education, English as a second language (ESL), and culturally and linguistically responsive, researched-based, and effective language instruction educational programs (LIEP) to all multilingual learners (ML) as required by law and rules of the New Jersey State Board of Education. MLs are those students whose primary language is not English and who have varying degrees of English language proficiency in any one of the domains of speaking, reading, writing, or listening and is synonymous with limited English-speaking ability pursuant to N.J.S.A. 18A:35-15 through 18A:35-26.1 and N.J.A.C. 6A:15-1.1 et seq.

The school district shall use, at the time of enrollment, the multi-step process to identify MLs enrolled in the district in accordance with N.J.A.C. 6A:15-1.3. The district shall administer to each student enrolled in the district the Statewide home-language survey (HLS) to determine which students in preschool to twelfth-grade have a primary language(s) other than English and, therefore, may be a ML.

The district shall then determine the English language proficiency of all Kindergarten to twelfth-grade students who are found eligible through N.J.A.C. 6A:15-1.3(a)1 or (a)2 and whose primary language is other than English by administering an English language proficiency (ELP) assessment. Students who do not meet the New Jersey Department of Education (Department)-established cut score standard on the ELP assessment shall be considered MLs and shall be offered entry into the district's LIEP. Preschool students who are identified as having a primary language other than English shall be identified as MLs. Prior to the start of their Kindergarten year, the district shall administer an ELP assessment to preschool MLs as part of the screener process to determine the ML's English language proficiency level. The district shall also use age-appropriate

methodologies to identify preschool MLs to determine their individual language development needs..

The district shall provide to all preschool to twelfth-grade MLs enrolled in the district pursuant to N.J.S.A. 18A:7F-46 and N.J.S.A. 18A:7F-54 with equal educational opportunities and all educational activities and programs in accordance with the provisions of N.J.A.C. 6A:15-1.4.

The school district providing a LIEP shall submit a plan every three years to the Department in accordance with the provisions of N.J.A.C. 6A:15-1.5.

Students enrolled in a LIEP shall have equal educational opportunities, including full access to educational opportunities and services available to other students in the school district pursuant to N.J.A.C. 6A:15-1.6.

As part of the district- and school-level plans for professional development requirements pursuant to N.J.A.C. 6A:9C-4.2, the Board shall describe professional learning for bilingual, ESL, and academic content teaching staff members whose classroom instruction is in English; administrators who supervise bilingual/ESL programs; and administrators and any personnel who observe and evaluate teaching staff members of MLs in accordance with the provisions of N.J.A.C. 6A:15-1.7.

All teachers of bilingual programs shall hold a valid New Jersey instructional certificate with an endorsement for the appropriate grade level and/or academic content area and a standard certificate with a bilingual/bicultural education endorsement, pursuant to N.J.S.A. 18A:6-38 et seq., N.J.S.A. 18A:35-15 to 26, and N.J.A.C. 6A:9B-11.5 in accordance with the provisions of N.J.A.C. 6A:15-1.8.

Students identified as MLs shall be assessed annually using English Language Placement (ELP) assessments to measure the

progress toward English language proficiency and to determine readiness for exiting the LIEP in accordance with the provisions of N.J.A.C. 6A:15-1.9. Students who meet the criteria for Statewide alternate assessments, pursuant to N.J.A.C. 6A:14-4.10(a)2., shall be assessed annually using an alternate ELP assessment. Every student participating in a bilingual, ESL, or English language services program established pursuant to N.J.S.A. 18A:35-15 et seq. shall be entitled to continue such participation for a period of three years pursuant to N.J.S.A. 18A:35-19.

MLs enrolled in the LIEP shall be placed in a classroom(s) where the primary language of instruction is English when the ML has demonstrated readiness to exit a LIEP first by achieving the Department-established cut score on an ELP or alternate ELP assessment. The student's readiness shall be further assessed by the use of a Department-established English language observation form that considers, at a minimum: classroom performance; the student's reading level in English; the observations of the teaching staff members responsible for the educational program of the student; and performance on achievement tests in English.

In accordance with the provisions of N.J.S.A. 18A:35-22.1, a parent may remove a student who is enrolled in a bilingual education program at any time; except that during the first three years of a student's participation in a bilingual education program, a parent may only remove the student at the end of each school year.

If a parent wishes to remove the student prior to the end of each school year, the removal shall be approved by the Executive County Superintendent. If the Executive County Superintendent determines the student should remain in the bilingual education program until the end of the school year, the parent may appeal the Executive County Superintendent's decision to the Commissioner of Education or designee pursuant to the provisions of N.J.S.A. 18A:35-19.2.

The Superintendent or designee shall provide for the maximum practicable engagement of the parent of MLs in the development and review of program objectives and dissemination of information to and from the Boards and communities served by the LIEP in accordance with the provisions of N.J.A.C. 6A:15-1.14. Students who meet the criteria for Statewide alternate assessments, pursuant to N.J.A.C. 6A:14-4.10(a)2, shall be assessed annually using an alternate ELP assessment.
  3. A ML enrolled in the LIEP shall be placed in a classroom(s) where the primary language of instruction is English when the ML has demonstrated readiness to exit a LIEP first by achieving the Department-established cut score on an ELP or alternate ELP assessment. The student's readiness shall be further assessed by the use of a Department-established English language observation form that considers, at a minimum: classroom performance; the student's reading level in English; the observations of the teaching staff members responsible for the educational program of the student; and performance on achievement tests in English.
    - a. Pursuant to 34 CFR §200.6(h)(4)(ii), a ML with a disability whose disability makes it impossible for the student to be assessed in a particular domain because there are no appropriate accommodations for assessing the student in that domain may be exited from ML status based on the student meeting the Department-determined cut

Pursuant to N.J.A.C. 6A:8, N.J.A.C. 6A:15-1.6, and E. above, the district shall ensure that students whose parents refuse placement are provided the appropriate instructional adaptations and appropriate assessment modifications and accommodations for Statewide assessments.
6. The district shall monitor, for a minimum of two years, the academic progress of students who are exited from a LIEP to ensure that the students are continually meeting or exceeding the NJSLs when the curriculum and instruction are delivered in English.
7. Newly exited students who are not academically progressing in classes where English is the primary language of instruction may be considered for reentry to a LIEP as follows:

### 2431.4 PREVENTION AND TREATMENT OF SPORTS-RELATED CONCUSSIONS AND HEAD INJURIES

A concussion is a traumatic brain injury caused by a blow or motion to the head or body that disrupts the normal functioning of the brain and can cause significant and sustained neuropsychological impairments including, but not limited to, problem solving, planning, memory, and behavioral problems. In order to ensure safety, it is imperative that student-athletes participating in a program of athletic competition, coaches, and parents are educated about the nature and treatment of sports-related concussions and other head injuries. Allowing a student-athlete to return to a program of athletic competition before recovering from a concussion increases the chance of a more serious brain injury.

This Policy and Regulation 2431.4 are consistent with the requirements of N.J.S.A. 18A:40-41.1 et seq., the New Jersey Department of Education Model Policy and Guidance for Districts on the Prevention and Treatment of Sports-Related Head Injuries and Concussions, and the recommendations developed by the Center for Disease Control and Prevention (CDC).

For the purpose this Policy and Regulation 2431.4, "program of athletic competition" shall include any competition or practice in high school interscholastic athletic programs, middle school interscholastic athletic programs where school teams or squads play teams or squads from other school districts, intramural athletic programs within a school or among schools in the district, and any cheerleading program or activity in the school district.

For the purpose of this Policy and Regulation 2431.4, "student-athlete" shall mean any student enrolled in a public or nonpublic school in New Jersey who is a participant in a program of athletic competition organized by the school district.

The staff member supervising the program of athletic competition shall take steps to prevent concussions and head injuries; ensure student-athletes have appropriate supervision and safety equipment; and ensure student-athletes avoid unsafe conditions.

School staff members supervising programs of athletic competition; licensed athletic trainers; nurses; and school/team physicians shall be trained on the possible signs or symptoms of a concussion. Any possible signs or symptoms of a concussion shall be reported by the student-athlete or an observer to the staff member supervising the program of athletic competition; athletic trainer; school/team physician; school nurse; and/or parent.

The district will adopt an Interscholastic Head Injury Training Program to be completed by the school/team physician, licensed athletic trainer, coaches, and other appropriate district personnel pursuant to N.J.S.A. 18A:40-41.2.

Pursuant to N.J.S.A. 18A:40-41.4, a student-athlete who participates in a program of athletic competition and who sustains or is suspected of having sustained a concussion or other head injury while engaged in a program of athletic competition shall be immediately removed from the program of athletic competition by the staff member supervising the program or athletic competition. A student-athlete who was removed from a program of athletic competition shall not participate in further programs of athletic competition until the student-athlete: is examined by a physician or other licensed healthcare provider trained in the evaluation and management of concussions; receives written medical clearance from a physician trained in the evaluation and management of concussions to return to a program of athletic competition; and progresses through the steps outlined in the CDC's Six-Step Return to Play Progression. The student-athlete may not begin the CDC's Six-Step Return to Play Progression until the student-athlete receives a medical examination, provides the required written medical clearance, and the medical clearance is approved by the school physician.

Some symptoms may require immediate medical treatment. Emergency medical responders (911) shall be called if the student-athlete is experiencing a deterioration of symptoms; loss of consciousness; direct neck pain associated with the injury; or any other symptom that may require immediate medical treatment.

The district will provide temporary supports to a student-athlete that has sustained a concussion or other head injury.

The Commissioner of Education and Commissioner of Health educational fact sheet that provides information concerning the use and misuse of opioid drugs in the event a student-athlete is prescribed an opioid for a sports-related injury shall be provided to the parents of student-athletes. ### C. Treatment

1. Pursuant to N.J.S.A. 18A:40-41.4, a student-athlete who participates in a program of athletic competition and who sustains or is suspected of having sustained a concussion or other head injury while engaged in a program of athletic competition shall be immediately removed from the program of athletic competition by the staff member supervising the program of athletic competition.

3. Emergency medical responders (911) shall be called if the student-athlete is experiencing a deterioration of symptoms, loss of consciousness, or direct neck pain associated with the injury pursuant to D. below.
4. A student-athlete who is removed from a program of athletic competition shall not participate in further programs of athletic competition until:
  - a. The student-athlete is evaluated by a physician or other licensed healthcare provider trained in the evaluation and management of concussions and receives written clearance from a physician trained in the evaluation and management of concussions to return to the program of athletic competition; and

- (1) The student-athlete's written medical clearance from a physician must indicate a medical examination has determined:
  - (a) The student-athlete's injury was not a concussion or other head injury, the student-athlete is asymptomatic at rest, and the student-athlete may return to regular school activities and is no longer experiencing symptoms of the injury while conducting those activities; or
  - (b) The student-athlete's injury was a concussion or other head injury and the student-athlete's physician will monitor the student-athlete to determine when the student-athlete is asymptomatic at rest and when the student-athlete may return to regular school activities and is no longer experiencing symptoms of the injury while conducting those activities.
- (2) The student-athlete's written medical clearance shall be reviewed and approved by the school physician.
- (3) A student-athlete who has suffered a concussion or other head injury may not begin the CDC's Six-Step Return to Play Progression as outlined in E. below until the student-athlete receives a medical examination and provides the required written medical clearance to the Principal or designee.

### 2. Six-Step Return to Play Progression

#### a. Step 1: Back to Regular Activities

The student-athlete is back to their regular activities (such as school).

#### b. Step 2: Light Aerobic Activity

The student-athlete shall begin with light aerobic exercise only to increase a student-athlete's heart rate. This means about five to ten minutes on an exercise bike, walking, or light jogging. No weightlifting at this point.

#### c. Step 3: Moderate Activity

The student-athlete shall continue with activities to increase a student-athlete's heart rate with body or head movement. This includes moderate jogging, brief running, moderate-intensity stationary biking, or moderate-intensity weightlifting (less time and/or less weight from their typical routine).

#### d. Step 4: Heavy, Non-Contact Activity

The student-athlete shall add heavy, non-contact physical activity, such as sprinting/running, high-intensity stationary biking, regular weightlifting routine, or non-contact sport-specific drills (in three planes of movement).

e. Step 5: Practice & Full Contact

The student-athlete may return to practice and full contact (if appropriate for the sport) in controlled practice.

f. Step 6: Competition

The student-athlete may return to competition.

3. It is important for a student-athlete's parent(s), coach(es), and teachers to watch for concussion symptoms after each day's Six-Step Return to Play Progression activity.
4. A student-athlete should only move to the next step if they do not exhibit any new symptoms at the current step.
5. If a student-athlete's symptoms return or if they develop new symptoms, this could be a sign the student-athlete is overexerting. The student-athlete shall stop these activities and the student-athlete's medical provider shall be contacted. After more rest and no concussion symptoms, the student-athlete can start at the previous step.

F. Temporary Supports for Student-Athletes with Sports-Related Head Injuries or Concussions

1. Initial rest followed by a gradual return to activity during healing is recommended. Accordingly, consideration of the cognitive effects in returning to the classroom is also an important part of the treatment of sports-related concussions and head injuries.

2. Mental exertion increases the symptoms from concussions and affects recovery. To recover, cognitive rest is just as important as physical rest. Reading, studying, computer usage, texting, even watching movies if a student-athlete is sensitive to light/sound, can slow a student-athlete's recovery. Managing the symptoms through a balance of rest and activity is the key to recovery.
  - a. The district will provide support for student-athletes diagnosed with a concussion.
  - b. The student-athlete's health care provider will handle short-term medical accommodations.
3. Collaboration between the student-athlete's health care provider and the school may be necessary. If accommodations are needed for an extended time, the district may want to consider implementing accommodations via a formalized 504 plan.
4. The Principal or designee may address the student-athlete's cognitive needs in the following ways:
  - a. Limit the student-athlete's screen time;
  - b. Have the student-athlete take rest breaks as needed;
  - c. Have the student-athlete spend fewer hours at school;
  - d. Provide the student-athlete more time to take tests or complete assignments. (All courses should be considered);
  - e. Provide the student-athlete help with schoolwork;

- f. Reduce the student-athlete's time spent on the computer, reading, and writing;
  - g. Provide or grant the student-athlete early passing time to avoid crowded hallways; and/or
  - h. Allow the student-athlete extra time to complete tests or coursework.
5. These supports and/or short-term medical accommodations may be addressed in an individualized healthcare plan for a student-athlete who has suffered a concussion or other head injury.
6. Concussions affect several aspects of brain function, including cognition, balance and coordination, visual tracking and processing, behavior, and others. The symptoms experienced, difficulties faced, and timeline for recovery will vary for each individual.
7. A brief period of relative rest followed by a gradual return to lighter activities is generally considered the best "medicine" for healing concussions or other head injuries. This may include relative rest from both physical and cognitive activities. Each injury, and therefore each treatment plan, is different. School personnel, in collaboration with the student-athlete, parents, and the student-athlete's health care provider, are in the best position to create flexible, temporary supports to meet the needs of each student-athlete.

Training Programs are available via the CDC website or the National Federation of State High School Associations.

2. This training shall be completed by the school/team physician, licensed athletic trainer, school nurses, coaches, and other relevant school personnel.

### H. Other Considerations

1. Educational information for student-athletes on the prevention of concussions shall be reviewed.
2. The importance of early identification and treatment of concussions to improve recovery shall be reinforced.
3. School personnel shall contact the student-athlete's parent and inform them of the suspected sports-related concussion or head injury before allowing the student-athlete to go home after a program of athletic competition.
4. School personnel shall provide the parent of the student-athlete with a checklist or copy of the return to play protocols including the requirement of written clearance from a physician trained in the evaluation and management of concussions before the student-athlete is able to return to a program of athletic competition.

### I. Interscholastic Head Injury Training Program

1. The district will adopt an Interscholastic Head Injury Training Program to be completed by the school/team physician, licensed athletic trainer, coaches, and other appropriate district personnel pursuant to

N.J.S.A. 18A:40-41.2. The training program shall include:

a. The recognition of the signs of head and neck injuries, concussions, and second impact syndrome; and

(1) Pursuant to N.J.S.A. 18A:40-41.1.d., if a student-athlete sustains a second concussion while still having symptoms of a previous concussion, it can lead to the severe impairment and even the death of the student-athlete, and is referred to as second-impact syndrome.

b. The CDC's Six-Step Return to Play Progression or any subsequent changes or other updates developed by the CDC.

J. "Return to Play Progressions" vs. "Therapeutic Progressions"

1. In many cases, after the initial rest period, concussed individuals may be encouraged to resume limited activities, including light physical and cognitive activities, even in the presence of some continued symptoms. This may be referred to as "therapeutic progressions," and while some of the activities may overlap with the CDC's Six-Step Return to Play Progression, it is different in the goals and intent from "return to play."

a. "Return to play" progressions are intended to test the concussed individual's readiness to perform the activity correctly, and to do so with no symptoms.

b. "Therapeutic" progressions are intended to help the individual recover and to help them improve

their performance and tolerance to those activities. This may take several days, or longer, at any given step.

- c. "Therapeutic progressions" should be recommended and supervised by a health care provider familiar with the evaluation and management of concussions, and monitored by a team including the student-athlete, parents, health care provider, and school personnel. Adjustments to the program should be in response to the student-athlete's overall symptom load and progress. It should be remembered that student-athletes may progress at different rates for various aspects of their injury, such as tolerating light to moderate aerobic activity before tolerating being in the classroom, or tolerating schoolwork done at home before tolerating the classroom and school environment. Of note, progressions in one aspect of the treatment plan can have a positive effect on other areas as the brain is returning to a more typical overall level of function. A successful treatment plan is one that can adapt appropriately for each student-athlete.

### K. Educating the Community on the District Sports-Related Concussions and Head Injuries Policy

1. The Board shall review Policy 2431.4 and this Regulation annually, and update as necessary to ensure Policy 2431.4 and this Regulation reflect the most current information available on the prevention, risk, and treatment of sports-related concussions and head injuries.
2. The district may provide regular education and training for staff including administrators, teachers,

paraprofessionals, and school counselors regarding concussions and other head injuries as head injuries can happen at any time during the school day or outside of school.

3. The district is in a unique position to promote healthy behaviors. The district can embed education related to the prevention and treatment of concussions and head injuries through the New Jersey Student Learning Standards Comprehensive Health and Physical Education Standard 2.3 - Safety. In addition, N.J.S.A. 18A:6-2 requires education in accident and fire prevention and N.J.S.A. 18A:35-5 requires education in injury or illness emergencies.

Code Of Ethics

### 3211 Code of Ethics

The Board of Education endorses the code of ethics for professional educators published by the National Education Association (NEA).

#### Preamble

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nature of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues; of students; of parent(s); and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics of the Education Profession indicates the aspiration of all educators and provides standards by which to judge conduct.

The remedies specified by the NEA and/or its affiliates for the violation of any provision of this Code shall be exclusive and no such provision shall be enforceable in any form other than one specifically designated by the NEA or its affiliates.

#### Principle I - Commitment to the Student

The educator strives to help each student realize their potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

### 3212 Attendance

The regular and prompt attendance of teaching staff members is an essential element in the efficient operation of the school district and the educational program. Teaching staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a teaching staff member's job performance.

Teaching staff members shall provide notice for the use of sick time as required in N.J.S.A. 18A:30-4 and Policy and Regulation 1642.01 in accordance with the district's procedure for teaching staff members to report the use of sick leave and other absences. A teaching staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with statute, administrative code, or Board policy; falsifies the reason for an absence; is absent without authorization; is repeatedly tardy; or accumulates an excessive number of absences may be subject to appropriate consequences, which may include, but not be limited to, the withholding of a salary increment, termination, nonrenewal, and/or certification of tenure charges.

Sick leave is defined in accordance with N.J.S.A. 18A:30-1 and Policy and Regulation 1642.01. No teaching staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for by statute; administrative code; collective bargaining agreement; an individual employment contract; or the policies of the Board. The Superintendent or Board of Education may require verification to be filed with the Secretary of the Board in order to obtain sick leave in accordance with the provisions of N.J.S.A. 18A:30-4 and Policy and Regulation 1642.01.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among teaching staff members. The review will include the collection and

### R3212 ATTENDANCE

#### A. Review of Attendance Data

1. A record shall be kept of the attendance of each teaching staff member, including teachers; educational services personnel; administrators; and other certificated staff members. Any absence, for part or all of a school day, shall be recorded along with the reason for the absence. The record will distinguish sick leave, professional days, unpaid leaves of absence, personal leave, bereavement leave, and any other leaves of absences taken by the teaching staff member. The teaching staff member's attendance record will include notation of verification of an absence where such verification is required by the Superintendent or by Policy and Regulation 1642.01. The teaching staff member's rate of absence shall be calculated at least once per school year and entered on the teaching staff member's attendance record. A teaching staff member's attendance record shall be part of the teaching staff member's personnel file.
2. A cumulative attendance record shall be assembled for each school in the school district and also for the school district as required by the New Jersey Department of Education.
3. An attendance summary shall be prepared from the cumulative attendance record. The attendance summary shall show the rate of absence for each school in the district and also for the school district.

### 4212 Attendance

The regular and prompt attendance of support staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Support staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a support staff member's job performance.

Support staff members shall provide notice for the use of sick time as required in N.J.S.A. 18A:30-4 and Policy and Regulation 1642.01 in accordance with the district's procedure for support staff members to report the use of sick leave and other absences. A support staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with statute, administrative code, or Board policy; falsifies the reason for an absence; is absent without authorization; is repeatedly tardy; or accumulates an excessive number of absences may be subject to appropriate consequences, which may include, but not be limited to, the withholding of a salary increment, termination, nonrenewal, and/or certification of tenure charges.

Sick leave is defined in accordance with N.J.S.A. 18A:30-1 and Policy and Regulation 1642.01. No support staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for by statute; administrative code; the collective bargaining agreement; in an individual employment contract; or the policies of the Board. The Superintendent or Board of Education may require verification to be filed with the Secretary of the Board in order to obtain sick leave in accordance with the provisions of N.J.S.A. 18A:30-4 and Policy and Regulation 1642.01.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among support staff members. The review will include the collection and

### J. Assessment and Calculation of Tuition - N.J.A.C. 6A:22-6

1. If no appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an affidavit student following notice of an ineligibility determination, the Board of Education may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner.
  - a. If the responsible party does not pay the tuition assessment, the Board may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

- a. Upon the Commissioner's finding that an appeal has been abandoned, the Board may remove the student from school and seek tuition for up to one year of ineligible attendance pursuant to N.J.A.C. 6A:22-6.1(a) and J.1. above plus the period of ineligible attendance after the appeal was filed. If the record of the appeal includes a calculation reflecting the tuition rate(s) for the year(s) at issue, the per diem tuition rate for the current year and the date on which the student's ineligible attendance began, the Commissioner may order payment of tuition as part of their decision. In doing so, the Commissioner shall consider whether the ineligible attendance was due to the school district's error. If the record does not include such a calculation and the Board of Education has filed a counterclaim for tuition, the counterclaim shall proceed to a hearing notwithstanding that the petition has been abandoned.
  - b. An order of the Commissioner assessing tuition is enforceable through recording, upon request of the Board pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division, in accordance with N.J.S.A. 2A:58-10.

### 5116 EDUCATION OF HOMELESS CHILDREN AND YOUTHS

The Board of Education will admit and enroll homeless children and youths in accordance with Federal and State laws and New Jersey Administrative Code. The Board of Education adopts this Policy to be in compliance with law and administrative code to ensure the enrollment of homeless children and youths in school and to respond to appeals made by parents or other parties related to the enrollment of homeless children and youths.

The Board shall determine that a child or youth is homeless when the child or youth resides in a publicly or privately operated shelter designed to provide temporary living accommodations, including: hotels or motels; congregate shelters, including domestic violence and runaway shelters; transitional housing; and homes for adolescent mothers. A child or youth is also determined homeless when the child or youth resides in a public or private place not designated for or ordinarily used as a regular sleeping accommodation, including: cars or other vehicles including mobile homes; tents or other temporary shelters; parks; abandoned buildings; bus or train stations; or temporary shelters provided to migrant workers and their children on farm sites. A child or youth is determined homeless when the child or youth resides in the residence of relatives or friends where the homeless child or youth resides out of necessity because the child's or youth's family lacks a regular or permanent residence of its own. A child or youth is also determined homeless when the child or youth resides in substandard housing.

The school district of residence for a homeless child or youth is responsible for the education of the child and shall assume all responsibilities as required in N.J.A.C. 6A:17-2.3. The school district of residence for a homeless child or youth means the school district in which the parent of a homeless child or youth resided prior to becoming homeless.

The school district liaison will facilitate communication and cooperation between the school district of residence and the school district where the homeless child or youth resides and shall assume all responsibilities as outlined in N.J.A.C. 6A:17-2.4(a).

When a homeless child or youth resides in a school district, the school district liaison shall notify the liaison of the school district of residence within twenty-four hours of receiving notification from the parent, a shelter director, or an involved agency. Upon notification of the need for enrollment of a homeless child or youth, the liaison in the school district of residence shall coordinate enrollment procedures immediately based upon the best interest of the child pursuant to N.J.A.C. 6A:17-2.5(b).

The Superintendent of the school district of residence or designee shall decide in which school district the homeless child or youth shall be enrolled in accordance with the provisions of N.J.A.C. 6A:17-2.5.

Unless parental rights have been terminated by a court of competent jurisdiction, the parent retains all rights under N.J.A.C. 6A:17-2.

When a dispute occurs regarding the determination of homelessness or the determination of the school district of enrollment made by the school district of residence, the Superintendent(s) or the designee(s) of the involved district(s) or the child's or youth's parent(s) shall immediately notify the Executive County Superintendent of Schools, who, in consultation with the New Jersey Department of Education's (NJDOE) McKinney-Vento Homeless Education Coordinator or the Coordinator's designee, shall immediately decide the child's or youth's status. The Executive County Superintendent shall make a determination immediately, if possible, but no later than within forty-eight hours and, when necessary, in consultation with the NJDOE's Homeless Education Coordinator or the Coordinator's designee.

If the dispute regarding determination of the school district of residence does not involve the determination of homelessness and/or school district of enrollment, the school district disputing the Executive County Superintendent's determination may appeal to the NJDOE pursuant to N.J.A.C. 6A:23A-19.2(d), (e), and (f) and request a determination from the NJDOE Division of Administration and Finance. If an appeal of a determination of school district of residence also includes an appeal of the determination of homelessness and/or school district of enrollment, the appeal shall be submitted to the Commissioner of Education pursuant to N.J.A.C. 6A:3, Controversies and Disputes.

Juneteenth Commemoration

### 8210.01 JUNETEENTH COMMEMORATION

The Board of Education recognizes June 19<sup>th</sup> as "Juneteenth Independence Day", the oldest known celebration of the abolition of slavery in the United States and the oldest African American holiday observance.

Juneteenth commemorates June 19, 1865, the day Union soldiers landed in Galveston, Texas, with news that the Civil War had ended and the enslaved were free, creating cause for jubilant celebrations that evolved into a general celebration of freedom. Celebration of Juneteenth is generally marked by family gatherings, picnics, prayers and speakers, and is a time for education and encouraging self-development and respect for all cultures.

As an emancipation celebration, Juneteenth was first given official state recognition in 1980 when Texas made it an official state holiday and a campaign exists today to establish Juneteenth as a national holiday. Throughout New Jersey, towns and cities organize festivities to reflect on and rejoice in the freedom, opportunity, and cultural respect associated with Juneteenth.

In recognition of the historical and cultural significance of Juneteenth, and in order to foster respect for all cultures, the Board officially recognizes June 19<sup>th</sup> as "Juneteenth Independence Day".

The Board further directs the Superintendent to develop age-appropriate Juneteenth-related activities and lesson plans for students in grades K-12. The Superintendent will ensure that teachers provide such programming for all students in grades K-12 during the month of June.

In accordance with N.J.S.A. 18A:33-24, if fifty percent or more of the students enrolled in the school district on or before the last school day before October 16 of the preceding school year were Federally eligible for free or reduced price meals under the National School Lunch Program or the Federal School Breakfast Program, the district shall become a sponsor or site under the Federal Summer Food Service Program or apply for a waiver pursuant to N.J.S.A. 18A:33-26.

In accordance with N.J.S.A. 18A:33-23, the district shall notify each student enrolled and the student's parent of the availability of, and criteria of eligibility for, the summer meals program and the locations in the district where the

summer meals are available. The district shall provide this notification by distributing flyers provided by the New Jersey Department of Agriculture pursuant to subsection N.J.S.A. 18A:33-23.c. The district may also provide electronic notice of the information through the usual means by which the district communicates with parents and students electronically.

Pursuant to N.J.S.A. 18A:33-26.a., the New Jersey Department of Agriculture may grant a waiver of the requirements of N.J.S.A. 18A:33-24 et seq. To be granted a waiver, the district must show that it lacks the staff, facilities, or equipment to sponsor the Federal Summer Food Service Program, or the means to finance the hiring or acquisition of such staff, facilities, or equipment. The New Jersey Department of Agriculture also may grant a waiver for one year to the district if a different sponsor currently runs the Federal Summer Food Service Program within the district's community.

Pursuant to N.J.S.A. 18A:33-26.b., the district shall report to the New Jersey Department of Agriculture, in the manner prescribed by the New Jersey Department of Agriculture, its reasons for requesting a waiver of the requirements of N.J.S.A. 18A:33-24 et seq. The report shall include, but need not be limited to, a description of the specific impediments to implementing the program and actions that could be taken to remove those impediments or, where applicable, the identification of the sponsor that currently runs the program within the same community.

  - c. Ensure that the school receives appropriate reimbursement, from the State and Federal governments, for meals provided to eligible students, free of charge, through a school lunch program, a school breakfast program, a breakfast after the bell program, a summer meals program, or an emergency meals distribution program; and
  - d. Facilitate school aid determinations under the "School Funding Reform Act of 2008," N.J.S.A. 18A:7F-43 et seq.
- D. Free or Reduced Price Meals' Application Process - 7 CFR 245

School meals applications shall be reviewed in a timely manner. An eligibility determination will be made, the family will be notified of its status, and the status will be implemented as soon as possible within ten operating days of receipt of the completed application pursuant to 7 CFR 245.6(c)(6). Any student found eligible shall be offered free or reduced price meals or free milk immediately upon the establishment of their eligibility and shall continue to receive such meals during the pendency of any inquiry regarding their eligibility in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture. Carry-over of previous year's eligibility for students shall

be in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

In accordance with 7 CFR 245.6(c)(1) and (2), eligibility for free or reduced price meals, as determined through an approved application or by direct certification, must remain in effect for the entire school year and for up to thirty operating days in the subsequent school year. Prior to the processing of an application or the completion of direct certification procedures for the current school year, children from households with approved applications or documentation of direct certification on file from the preceding year, shall be offered reimbursable free and reduced price meals, as appropriate.

In accordance with 7 CFR 245.6(c)(6)(iii), children from households that notify the local educational agency that they do not want free or reduced price benefits must have their benefits discontinued as soon as possible.

Pursuant to 7 CFR 245.6(c)(7), if the district receives an incomplete school meals application or a school meals application that does not meet the eligibility criteria for free or reduced priced benefits, the school meals application must be denied. The district shall document and retain the denied school meals application and reasons for ineligibility for three years in accordance with 7 CFR 245.6(e).

In accordance with 7 CFR 245.6(c)(7), parents of students who are denied benefits must receive prompt, written notification of their denial. The notification may be provided by mail or e-mail to the individual who signed the school meals application. Posting the denial on the "notification" page of an online system does not meet this requirement. Likewise, informing the parent of denial via telephone does not meet this requirement. If the district

uses an automated telephone information system to notify parents of denied benefits, the district must also provide the parents with written notification of the denial. The notification must provide the: reason for denial of benefits; right to appeal; instructions on how to appeal; and ability to reapply for free and reduced-price benefits at any time during the school year.

In accordance with 7 CFR 245.6(e), the district shall record the eligibility determination and notification in an easily referenced format. The record shall include the: denial date; reason for denial; date the denial notice was sent; and signature or initials of the determining official (may be electronic, where applicable).

Any parents of students who have benefits that are to be reduced or terminated must be given ten calendar days' written notice of the change prior to the date the change will go into effect pursuant to 7 CFR 245.6a(j). The first day of the advance notice period shall be the day the notice is sent. The notice of adverse action may be sent via mail or to the e-mail address of the parent. The district cannot notify the household of adverse action by phone only.

Pursuant to 7 CFR 245.6a(j), the notice of adverse action must advise the parents of: change in benefits; reasons for the change; an appeal must be filed within the ten calendar days advance notice period to ensure continued benefits while awaiting a hearing and decision; instructions on how to appeal; and the parents may reapply for benefits at any time during the school year.

If the district participates in any National School Lunch Program, School Breakfast Program, or provides free milk under the Special Milk Program, the district shall submit to the New Jersey Department of Agriculture a free and reduced price policy statement pursuant to 7 CFR 245.10.

In accordance with 7 CFR 245.1(b), the district shall avoid any policy or practice leading to the overt identification of students receiving free or reduced price meal benefits. Overt identification is any action that may result in a child being recognized as potentially eligible for or certified for free or reduced price school meals. Unauthorized disclosure or overt identification of students receiving free and reduced price meal benefits is prohibited. The district shall ensure that a child's eligibility status is not disclosed at any point in the process of providing free and reduced price meals, including: notification of the availability of free and reduced price benefits; certification and notification of eligibility; provision of meals in the cafeteria; and the point of service. In addition, the district shall ensure students who receive free and reduced price benefits are not overtly identified when they are provided additional services under programs or activities available to low-income students based on their eligibility for free and reduced price meals.

Pursuant to 7 CFR 245.2, disclosure means revealing or using individual student's program eligibility information obtained through the free and reduced price meal or free milk eligibility process for a purpose other than the purpose for which the information was obtained. Disclosure includes, but is not limited to, access, release, or transfer of personal data about students by means of print, tape, microfilm, microfiche, electronic communication, or any other means. It includes eligibility information obtained through the school meals application or through direct certification.

If the district accepts both cash and electronic payments, the district shall ensure students are not overtly identified through the method of payment pursuant to 7 CFR 245.8(b). To the maximum extent practicable, the district must ensure the sale of non-program foods and the method of

The School Business Administrator/Board Secretary or designee will verify applications of those eligible for free or reduced price meals in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

### E. Meal Charge Program - N.J.S.A. 18A:33-21

The district operates under the Community Eligibility Provision (CEP) non-pricing meal service option for schools and school districts in low-income areas.

If it becomes necessary, the Board of Education shall establish a meal charge program to permit students in the district to charge for breakfast or lunch. Collection of any payment for a meal charge program account that is in arrears shall be addressed in accordance with provisions of this Policy.

The Board of Education provides a meal charge program to permit unsubsidized students in the district to charge for breakfast or lunch. Collection of any payment for a meal charge program account that is in arrears shall be addressed in accordance with provisions of this Policy.

"Unsubsidized student" means a student who is neither categorically eligible nor income-eligible for free or reduced-price school meals, and who is, consequently, required to pay for any such meals that are served to the student under the National School Lunch Program or the Federal School Breakfast Program.

The Board of Education recognizes a student may not have breakfast or lunch (meal), as applicable, or money to purchase a meal at school on a school day causing the

student's meal charge account to fall into arrears. The district shall contact the student's parent to provide notice of the arrearage and shall provide the parent with a period of ten school days to pay the amount due. If the student's parent has not made full payment by the end of the designated ten school day period, then the district shall again contact the student's parent to provide notice of any action to be taken by the school district in response to the arrearage.

A parent who has received a second notice their child's meal bill is in arrears and who has not made payment in full within one week from the date of the second notice may be requested to meet with the Principal or designee to discuss and resolve the matter.

A parent's refusal to meet with the Principal or designee or take other steps to resolve the matter may be indicative of more serious issues in the family or household. However, when a parent's routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child neglect, the Principal or designee shall immediately report such suspicion to the Department of Children and Families, Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent's meeting with the Principal or designee.

A school district shall report at least biannually to the New Jersey Department of Agriculture the number of students who are denied school breakfast or school lunch in accordance with N.J.S.A. 18A:33-21.a.(2) and this Policy.

Nothing in N.J.S.A. 18A:33-21 or this Policy shall be construed to require the district to deny or restrict the ability of an unsubsidized student to access school breakfast or school lunch when the student's school breakfast or school lunch bill is in arrears.

The school or school district shall not:

1. Publicly identify or stigmatize an unsubsidized student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears. (For example, by requiring the student to sit at a separate table or by requiring that the student wear a wristband; hand stamp, or identifying mark, or by serving the student an alternative meal);
2. Require an unsubsidized student, who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears to do chores or other work to pay for the school breakfast or school lunch;
3. Require an unsubsidized student to discard a school breakfast or school lunch after it has been served because of the student's inability to pay for a school breakfast or school lunch or because money is owed for previously provided meals;
4. Prohibit an unsubsidized student, or sibling of such a student, from attending or participating in non-fee-based extracurricular activities, field trips, or school events, from receiving grades, official transcripts, or report cards, or from graduating or attending graduation events, solely because of the student's unresolved meal debt; or
5. Require the parent of an unsubsidized student to pay fees or costs in excess of the actual amounts owed for meals previously served to the student.

If an unsubsidized student owes money for the equivalent of five or more school meals, the Principal or designee shall:

1. Determine whether the student is categorically eligible or income-eligible for free or reduced price meals, by conducting a review of all available records related to the student, and by making at least two attempts, not including the initial attempt made pursuant to N.J.S.A. 18A:33-21.c.(2), to contact the student's parent and have the parent fill out a school meals application; and
2. Contact the parent of the unsubsidized student to offer assistance with respect to the completion of the school meals application; and to determine if there are other issues in the household that have caused the student to have insufficient funds to purchase a school breakfast or school lunch; and to offer any other appropriate assistance.

The school district shall direct communications about a student's school breakfast or school lunch bill being in arrears to the parent and not to the student. Nothing in N.J.S.A. 18A:33-21 shall prohibit the school district from sending a student home with a letter addressed to a parent.

Notwithstanding the provisions of N.J.S.A. 18A:33-21 and the provisions of any other law, rule, or regulation to the contrary, an unsubsidized student shall not be denied access to a school meal, regardless of the student's ability to pay or the status of the student's meal arrearages, during any period of time in which the school is making a determination, pursuant to N.J.S.A. 18A:33-21.c., as to whether the student is eligible for, and can be certified to receive, free or reduced price meals.

If the student's meal bill is in arrears, but the student has the money to purchase a meal on a subsequent school day, the student will be provided a meal with payment and the food service program will not use the student's payment to

- F. Provision of Meals to Homeless Children - N.J.S.A. 18A:33-21c.

The district's liaison for the education of homeless children shall coordinate with district personnel to ensure that a homeless student receives free school meals and is monitored according to district policies pursuant to N.J.S.A. 18A:33-21c.

- G. Provision of School Meals During Period of School Closure - N.J.S.A. 18A:33-27.2

In the event the Board is provided a written directive, by either the New Jersey Department of Health or the health officer of the jurisdiction, to institute a public health-related closure due to the COVID-19 epidemic, the district shall implement a program, during the period of the school closure, to provide school meals, at meal distribution sites designated pursuant to N.J.S.A. 18A:33-27.2.b., to all students enrolled in the district who are either categorically eligible or income-eligible for free or reduced price school meals.

In the event of an emergency closure, as described in N.J.S.A. 18A:33-27.2.a., the district shall identify one or more school meal distribution sites that are walkable and

easily accessible to students in the district. The district shall collaborate with county and municipal government officials in identifying appropriate sites. A school meals distribution site may include, but need not be limited to: faith-based locations; community centers, such as YMCAs; and locations in the district where meals are made available through a summer meals program. In a district that includes high density housing, the district shall make every effort to identify a school meal distribution site in that housing area.

The district shall identify students enrolled in the district who are categorically eligible or income-eligible for free or reduced price meals, and for whom a school meal distribution site, identified pursuant to N.J.S.A. 18A:33-27.2.b., is not within walking distance. In the case of these students, the district shall distribute the school meals to the student's residence or to the student's bus stop along an established bus route, provided that the student or the student's parent is present at the bus stop for the distribution. Food distributed pursuant to N.J.S.A. 18A:33-27.2.c. may include up to a total of three school days' worth of food per delivery.

The district may use school buses owned and operated by the district to distribute school meals pursuant to N.J.S.A. 18A:33-27.2. If the district does not own and operate its own buses, the district may contract for the distribution of school meals, and these contracts shall not be subject to the public bidding requirements established pursuant to the "Public School Contracts Law," N.J.S.A. 18A:18A-1 et seq.

The district shall collaborate, as feasible, with other districts and with local government units to implement the emergency meals distribution program, as required by N.J.S.A. 18A:33-27.2, in order to promote administrative and operational efficiencies and cost savings.

Date of Request: 2/9/24 Date of Trip: 5/15/24  
Destination: We Rock the Spectrum Bergen - 11 Park Place, Paramus, NJ 07652

### Educational Necessity:

Students with autism and other disabilities require additional instruction in and opportunities to practice motor skills and social skills. A field trip to We Rock the Spectrum Kid's Gym will provide opportunities for students with disabilities to have sensory needs met, develop motor skills, and practice social skills such as turn-taking and teamwork in a fun and safe environment. The gym equipment at We Rock the Spectrum targets motor coordination, strength building, planning, socialization, self-regulation, safety, balance, tactile exploration, deep pressure stimulation, body control, and experimental play. This field trip will allow students to build confidence in their abilities through play.

### District Curriculum Connection:

This field trip connects to core content standards for physical education relating to the development of movement skills and teamwork. Students will be actively practicing different locomotor movements and working with different equipment that requires transferring body weight and controlling and adapting posture and balance. Additionally, it provides opportunities for students to practice social emotional learning as they communicate with peers during play. Students will be able to apply the mindfulness practices, expressive language skills (e.g. expressing feelings, making requests, communicating socially), and social skills (e.g. turn taking, kindness, working together) they have been learning and practicing throughout the year. For students receiving related services like speech, occupational therapy, and/or physical therapy, this field trip also allows for the integration of individual students' IEP goals in communication and motor skills.

### NJ Core Curriculum Content Standards Connection/New Jersey Student Learning Standards:
