Key To Your Child's Success

Research has shown over and over that **READING** is the most powerful contributor to the development of accurate, fluent, high-comprehension reading. It is also proven that reading in school and at home is directly associated with higher scores in school. The secret key—the more a student reads, the better student he becomes.

Rising 1st Grade Summer Reading 2025

REQUIREMENT:
Read 3 books
and complete the
Accelerated Reader
Quiz for each book.

Beginning To Read Titles

The books listed have AR quizzes that range from a level of 0.9 to 1.5. The student may be able to read some of these titles independently, but help will be needed on others. Accelerated Reader does NOT test reading skills— only comprehension. It is fine to read the book to the student or you may read it together. We hope you read many, many books this summer— even though you are only required to take 3 AR quizzes.

These are only suggestions— you do NOT have to read from this list.
