Addendum No. 1

The following response addresses question(s) submitted by vendor(s) on May 23, 2025; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. What type of labor would we need for the installation of the equipment? (Union, Non-Union, Prevailing Wage, Night, Weekend, or N/A)

   The equipment installation is not a prevailing wage project, and the District has no specifications regarding the desired labor (Union, Non-Union, etc.); also, the installation work can be performed during normal weekday operation hours as scheduled with the District, so no night or weekend installation is required.
