To the Remarkable Graduating Seniors of the Class of 2025,

Congratulations, Class of 2025! You have arrived at the end of one chapter and stand at the edge of the next, full of promise, potential, and purpose. This moment didn't happen by accident. It is the result of your sacrifices, your growth, your determination, and your refusal to quit - even when life got hard, even when the odds stacked up, and even when the path wasn't always clear. Your journey through high school, especially in a world that keeps changing, has shaped you into scholars, leaders, and fighters ready for whatever comes next.

You've experienced the heights of victory and the lessons of challenge. You've navigated classrooms, friendships, activities, and responsibilities that tested your mind, heart, and character. But more than just surviving these years, you thrived. You dared to dream bigger, reach higher, and believe deeper. You've learned that success isn't about perfection, it's about perseverance, grit, and being true to who you are.

Now is the time to ***Be Great on Purpose***. Don't stumble into greatness, chase it, claim it, and commit to it every single day. Being great on purpose means waking up with intention, choosing excellence in every decision, and using your gifts to uplift others. It's not about being the loudest in the room but being the most impactful. It's about showing up, standing tall, and refusing to shrink in the face of fear or failure. Your greatness isn't just for you - it's for the entire world to witness.

As you take your next steps, whether it's college, the military, the workforce, or something uniquely your own - remember this: your zip code doesn't define your destiny, your past doesn't dictate your future, and no one else gets to write your story but you. Carry the pride of Panther Nation in your heart and let it fuel you when life tries to slow you down. You are built for this moment. You are ready.

So go forward with boldness, with faith, and with purpose. Let the world hear your voice, see your heart, and feel your impact. Class of 2025, your story is just beginning and it's going to be unforgettable. Be proud, be fearless, and most of all, Be Great on Purpose.

It is Always a Great Day to be a Duncanville Panther! #BTL

Sincerely,

Bryan K. Byrd Jr.

Executive Principal

Howdy DHS Collegiate Academy Class of 2025,

Congratulations, Academic Champions!

It is with immense pride and admiration that I celebrate this remarkable moment with you. As you cross the graduation stage, you are not just earning your high school diploma, but also your associate degree - a powerful reflection of your dedication, perseverance, and academic excellence.

You are living proof that DHS Collegiate Academy is not just a school, it is a place where students lead with impact.

In Duncanville - the City of Champions - we are known for excellence, perseverance, and pride. And you, Class of 2025, have added your own legacy to that tradition. While the world often celebrates victories on the field or on the court, we take just as much pride in the championship mindset that shows up in the classroom, in your college credits, and in your ambitions for the future. You represent everything our community stands for - and everything our world needs. We celebrate the courage to take on college - level coursework while still in high school. We celebrate the leadership shown in classrooms, study groups, and community service. We celebrate students like you who show up, work hard, and never stop striving for greatness.

Through every challenge you've faced, you've chosen to lead with purpose, passion, and integrity. You've supported one another, pushed yourselves academically, and created a legacy that will inspire classes to come. Your efforts remind us all that real leadership begins with the willingness to grow and the courage to stand out.

To our families - thank you for the love and support you've given your scholars. To our dedicated faculty and staff, thank you for empowering students with high expectations and unwavering belief.

And to the Class of 2025: This is just the beginning. Whether you're heading to college, entering the workforce, or exploring new opportunities, remember - you already have what it takes to make a difference. Keep using your voice, your vision, and your values to lead with impact in all you do.

You will always be part of the DHS Collegiate Academy family and a proud member of the City of Champions.

With pride and admiration,

Dr. Tiffany Staats
