Summer Storytime: In Color

Tuesdays, 10:30 am
June 17- August 5

Families with kids of all ages are invited to join us for weekly storytime sessions where we will learn about colors and how they relate to nature, food, science, and more!

Keep an eye on our Beanstack at butlerlibrary.beanstack.org, because the reading challenge will open for preregistration in June!

This is presented as part of our "Year of Color" 2025 Youth Services series of programs made possible by the generous support of the Janice Phillips Larrick Family Charitable Trust.
