## How Cold is Too Cold to Go Outside?

Students are outside for recess unless the temperature falls below 22 degrees (21 degrees or below), according to our school weather station Weatherbug. You might consider downloading the WeatherBug app so you can check the latest conditions at our school in real time.

As quoted on page 12 in our [Lincoln Academy Family Handbook](#):

"Please send students dressed appropriately for the weather. Students will go outside on cold days, so please send your child prepared for these conditions. Students remain outside unless the temperature goes below 22 degrees, there is excessive precipitation or extreme heat.

Lincoln Academy will close if weather-related conditions close the Jefferson County Public Schools. In addition to the Jeffco automated phone calls regarding weather closures, this notification will be broadcast over the radio (KOA 850) and major local television stations ABC, CBS, and NBC. Updates can also be found on the [Jefferson County School's website](#)."

If there is a call for a 2 Hour Delay due to weather, there will be no breakfast served at school. We will only do our regular lunch service on delayed start days.

### Are you Set up to Receive School Closure Notifications?

Check that your phone numbers and email are up-to-date to ensure you will receive notifications when they come out. Log on to Infinite Campus, select "More" from the menu tab, and then "Family Information" to update your contact information.

We have a few more weeks for our [Leopard Pledge Drive](#). Thanks to our Lincoln Grandparents, we have already raised nearly \$5,500! We're hoping to collect \$7,000 by the end of October, so if your family or grandparents are interested, please pass along our [pledge drive flyer with an updated QR code](#). This straightforward pledge drive replaces other types of fundraisers such as wrapping paper, popcorn, or chocolate sales. We know there are so many ways to donate money and we hope that offering a simple donation drive ensures confidence that 100% of your donation will go toward your students' educational success via the [Staff Mini Grants program](#). We've had 15 staff members apply for a mini grant this fall, so we're hopeful that we'll be able to grant as many as possible!

### September PTO Minutes

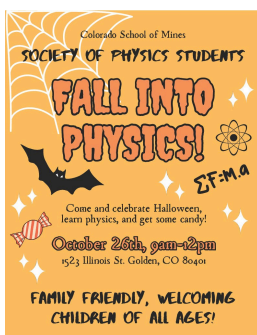

If you missed our September meeting, the minutes can be viewed [here](#). Our next meeting will be on Tuesday, October 29th following the Mini Choir Concert at 6:30 pm in the Student Center. Remember, there is free childcare for school age students!

#### Pomona Arts and Humanities Program

Do you know a student who is passionate about the arts? Would they benefit from an arts-integrated, interdisciplinary curriculum that is artistically and academically rigorous, fosters critical thinking and encourages energetic collaboration with their peers? **Pomona Arts and Humanities (PAH)**, a special program within Pomona High School in Arvada, CO, is currently auditioning students who would thrive in such an environment. PAH fires students' passion for learning by engaging the creative talents of young artists, while encouraging their critical and creative thinking, all in a diverse and positive environment. PAH exists to inspire and support high school students as they develop a lifelong love for both the arts and for learning. We currently offer the following fine arts focus areas: 2D & 3D visual arts, vocal and instrumental music, theater, culinary arts, and language composition.

We would love to have you audition for our program! Auditions for PAH will be held on **Monday, December 9th, 4:00-6:00 PM** at the Pomona High School library. For more information about the audition process and program requirements, please visit our [website](#). Click on the "Sign Up For An Audition" tab to reserve an audition time. We would love to have you be a part of the PAH community!
