Pomona Arts and Humanities Program

Do you know a student who is passionate about the arts? Would they benefit from an arts-integrated, interdisciplinary curriculum that is artistically and academically rigorous, fosters critical thinking and encourages energetic collaboration with their peers? **Pomona Arts and Humanities (PAH)**, a special program within Pomona High School in Arvada, CO, is currently auditioning students who would thrive in such an environment. PAH fires students' passion for learning by engaging the creative talents of young artists, while encouraging their critical and creative thinking, all in a diverse and positive environment. PAH exists to inspire and support high school students as they develop a lifelong love for both the arts and for learning. We currently offer the following fine arts focus areas: 2D & 3D visual arts, vocal and instrumental music, theater, culinary arts, and language composition.

We would love to have you audition for our program! Auditions for PAH will be held on **Monday, December 9th, 4:00-6:00 PM** at the Pomona High School library. For more information about the audition process and program requirements, please visit our [website](#). Click on the "Sign Up For An Audition" tab to reserve an audition time. We would love to have you be a part of the PAH community!
