Pomona Arts and Humanities Program

Do you know a student who is passionate about the arts? Would they benefit from an arts-integrated, interdisciplinary curriculum that is artistically and academically rigorous, fosters critical thinking and encourages energetic collaboration with their peers? **Pomona Arts and Humanities** (PAH), a special program within Pomona High School in Arvada, CO, is currently auditioning students who would thrive in such an environment. PAH fires students' passion for learning by engaging the creative talents of young artists, while encouraging their critical and creative thinking, all in a diverse and positive environment. PAH exists to inspire and support high school students as they develop a lifelong love for both the arts and for learning. We currently offer the following fine arts focus areas: 2D & 3D visual arts, vocal and instrumental music, theater, culinary arts, and language composition.

We would love to have you audition for our program! Auditions for PAH will be held on **Monday, December 9th, 4:00-6:00 PM** at the Pomona High School library. For more information about the audition process and program requirements, please visit our [website](#). Click on the "Sign Up For An Audition" tab to reserve an audition time. We would love to have you be a part of the PAH community!

Holy Family Theater Workshop

Holy Family's Thespian Troupe is inviting 5th - 8th grade students at Lincoln to participate in their annual Middle-School Theater Workshop. This is a great opportunity for students to discover the theater arts, and experience a little bit of what it's like to participate in a High School Theater Troupe. The workshop will take place on Saturday, November 23rd from 9 AM to 2:10 PM, and will be held on Holy Family's Campus. It is free and open to all students, whether or not they are considering attending Holy Family High School in the future. Students will participate in various Theatrical activities run by Holy Family Theater students, and the event will be supervised by their Director Dr. Patricia Marchesi. See the attached flier to the left (click on the image to expand) for more information.
