

## Connect With Your Grade's Community Lead

Community Leads (CLs) are parent volunteers who liaise between the grade-level families, the school and the Parent Association. CLs are here to help support your integration into the Sage Ridge community. From partnering with faculty to facilitate fun and creative community-building activities for students in the classroom and recruiting volunteers for these activities as well as faculty-planned field trips to organizing community-building events for their students/families outside of school and leading staff and faculty appreciation, the Community Leads are your connection to our Scorpion community and available to answer questions or help you get plugged into the community.
