Whole-School Challenge

If 90% of the Junior High students complete 10 or more Skills in either Math or English, we will have an Ice Cream Social!

Go to: <https://www.ixl.com/resources/summer>

for an overview of the Summer Boost Skill Plans for both Math & Language Arts, or students can view their plans on their IXL Dashboards

Students may opt to complete the Summer Boost in either Math or English, or they may complete the Summer Boost in BOTH subjects for double the number of raffle tickets and even more help in reducing summer academic regression.

DID YOU KNOW?

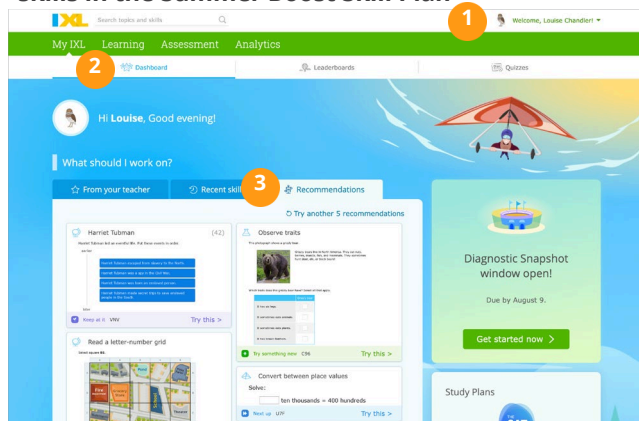

Studies have found that students lose one to two months of math and reading skills over the summer. Use IXL to encourage your child to continue learning!

HOW DO I FIND SKILLS TO WORK ON?

1. Sign in to your child's account at www.ixl.com

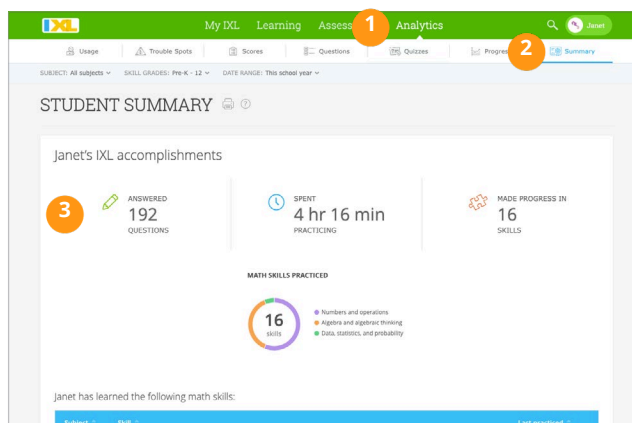

2. You'll be taken to your child's personal dashboard. Here you can see suggestions from their teachers of skills to work on over the summer as well as recommendations based on their practice history and learning needs. Students should see a Skill Plan titled "IXL Summer Boost Skill Plan..."

3. Students should complete the recommended skills in the Summer Boost Skill Plan

HOW DO I CHECK MY CHILD'S PROGRESS?

1. Sign in to your child's account and select the "Analytics" tab.
2. You'll be taken to your child's Student Summary report.
3. Review the list of accomplishments and skills to work on.
4. Encourage your child to keep learning!
