

Student Advisory Board Newsletter

Folsom Cordova Unified School District

By Rhea Khatra

"Real change, enduring change, happens one step at a time." - Ruth Bader Ginsburg

Happy Jewish American Heritage Month! This May, FCUSD proudly celebrates the rich legacy of Jewish Americans and their contributions to our nation. Ruth Bader Ginsburg, a trailblazing Supreme Court Justice of Jewish descent, championed equality and justice, inspiring generations with her unwavering dedication to fairness. Her legacy continues to unite and uplift our FCUSD community as we honor her impact this month.

Dates to Remember

May 6 - New Student Board Members Announced to SAB

May 7 - International Night

May 8 - Next SAB Meeting @ Folsom High School

May 16 - SAB representatives decisions announced

What's been happening at SAB?

Student Advisory Board, 2025-26

Following the election, we have found our student board members who will be representing the FCUSD student body at board meetings and lead SAB meetings. Two student board members were elected and appointed. Students of Folsom and Rancho Cordova voted for their candidate within the pool of candidates that were for their respective city.

Our Folsom Student Board Member for next year is Addie Luong, a rising senior at Vista del Lago High school. Our Rancho Cordova Student Board Member will be Eveleen Lopez Patraca, a rising senior at Cordova High School. We are looking forward to our board members' leadership and advocacy next year and the transformative change they will spearhead.

Gratitude to Our Board Members

The Student Advisory Board would like to extend a heartfelt gratitude to our wonderful Student Board Members, Mia George from Folsom High School and Van Merrill from Cordova High School for being such a huge source of inspiration for all of the student advocates in our district. They led monthly meetings that hosted student advisory board representatives from all secondary schools in the district and represented student voices at all of the board meetings. Thanks to them, we were able to have two district-wide events/celebrations - International Night and the Winter Fest.

District-wide International Night

FCUSD's third annual district-wide International Night took place at Cordova High School's parking lot and Performing Arts Center in the evening on May 7th, 2025.
